DOES EVERYONE KNOW YOUR BUSINESS

Even if you think they do, you'll have to keep reminding them about it.

**YOUR BIRTHDAY** by Stella Wilder

Born today, you are quite a capable individual, and despite any difficult circumstances you face, you are likely to accomplish a great deal that both surprises and impresses those around you. It's not that nobody expects you to do much in your lifetime, but rather that you are able to do so much so very well that it catches people unawares. Indeed, though you may struggle through a slow start, when you reach your stride, you're very likely to outpace everyone else you either work with or against -- and you're not about to let up!

**MONDAY, JUNE 28**

**CANCER (June 21-July 22)** -- You may be listening to the wrong people -- so why not give someone else a try? You are dependent upon just the right information at this time.

**LEO (July 23-Aug. 22)** -- How you work around a very stubborn obstacle is anyone's guess -- but long before you take action,

you'll have formulated a very workable plan.

**VIRGO (Aug. 23-Sept. 22)** -- You are going to have to work with information that is hot off the presses, and you may not have time to verify any of it. Use great care!

**LIBRA (Sept. 23-Oct. 22)** -- You are trying to accomplish something that has needed to be done for quite some time, though no one has yet figured out a way.

**SCORPIO (Oct. 23-Nov. 21)** -- Your direct involvement in something new may not be possible today, but pay attention to how things go, because you'll be participating very soon.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Quality control isn't really your job, but you'll surely have some things to say today to those who are overseeing an important project.

**CAPRICORN (Dec. 22-Jan. 19)** -- You know exactly who is on your side right now and who isn't, so deciding who to confide in at this time shouldn't take you any time at all.

**AQUARIUS (Jan. 20-Feb. 18)** -- You shouldn't take things to heart today lest you find yourself unable to move forward. It's a good time to keep emotions in check.

**PISCES (Feb. 19-March 20)** -- You may not trust someone who comes to you with all the answers today, so be sure to ask some follow-up questions before committing to anything.

**ARIES (March 21-April 19)** -- You may be able to recapture a past glory today -- or at least the feeling of it to some degree. Don't get stuck in the past, however!

**TAURUS (April 20-May 20)** -- You may have to make some very careful and detailed arrangements today with someone who is far from home. Be economical -- and crystal clear!

**GEMINI (May 21-June 20)** -- Someone isn't likely to understand your behavior today until someone else points out that you go through these phases pretty much regularly.

**MONDAY, JUNE 28, 2021**

**YOUR BIRTHDAY** by Stella Wilder

Born today, you are a strong-willed, charismatic and expressive individual with a love of anything that allows you to put your personality and many remarkable abilities on full display. They say you are "larger than life," and that may well be true -- though as far as you are concerned, one can never be too large for life itself, which invites you, again and again, to challenge yourself and extend your boundaries -- both personally and professionally.

**TUESDAY, JUNE 29**

**CANCER (June 21-July 22)** -- You're going to have to make a decision today based on information that is not complete. Check out the lay of the land very carefully.

**LEO (July 23-Aug. 22)** -- Be considerate of those who are experiencing something that is very different from what you are experiencing today. You can show some true style!

**VIRGO (Aug. 23-Sept. 22)** -- You don't have to listen to someone in charge to know what's going on today. Trust your instincts, and continue to watch and learn.

**LIBRA (Sept. 23-Oct. 22)** -- You're tempted to do something that will attract attention in a new way -- but is that really appropriate today? You may want to reconsider.

**SCORPIO (Oct. 23-Nov. 21)** -- You needn't make a big fuss to get what you want today; all you have to do is make your desires known to the right people at the right time.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- The odds are in your favor today -- but not every moment. You're going to have to judge the waxing and waning of certain trends.

**CAPRICORN (Dec. 22-Jan. 19)** -- You're not likely to find an easy way out of a tricky situation today, but if you do what you know best how to do, all will be well.

**AQUARIUS (Jan. 20-Feb. 18)** -- Premature decisions can only lead to disappointment today; you must wait until you have all pertinent information before making your final decision.

**PISCES (Feb. 19-March 20)** -- You may have to step to the plate and go to bat for someone who has no idea what is really at stake today. Your efforts make a difference.

**ARIES (March 21-April 19)** -- You may not be aware of what's affecting you so strongly today, but you know you have to make adjustments. A friend gives sound advice.

**TAURUS (April 20-May 20)** -- You must extend your reach and broaden your sphere of influence today if you're going to make your plans come to fruition. Why not think big?

**GEMINI (May 21-June 20)** -- You are looking for answers today before asking the right questions -- and that's likely to lead to some confusion when information comes your way.
