Nina Moran

5 p.m. on ANP River Monsters: Deadliest Man-Eaters

Among the Norwegian fjords and the ice sheets of Greenland, host Jeremy Wade plays beat-the-clock as he races against a swiftly approaching Arctic storm to capture an aquatic beast who is every bit as dangerous on its own terms in the new episode "Serial Killing Sea Monsters." Later, in Mexico, "Extreme Angler" Wade embarks on a mission to find the Red Devil. Known to scientists as the humboldt squid, this formidable and highly aggressive predator typically grows to seven feet in length, but specimens up to twice that size have also been recorded.

8 p.m. on ABC Emergency Call

Season 1 draws to a close with a finale called "Cliffhanger," wherein climbers in Wasilla, Alaska, find themselves stranded on a perilous mountain cliff. In other stories, a New Orleans man is found unconscious after what appears to be a drug overdose, while a motorcycle goes flying off a ramp at high speed in Waukesha, Wis. Elsewhere, 911 call takers in Ogden, Utah, and Austin, Texas, field calls involving potentially dangerous domestic disputes.

9 p.m. on WE Love After Lockup

Britney totally freaks out when Ray's release takes a shocking turn in the new episode "Freak in the Sheets." Meanwhile, Nicolle's secret causes a major complication in Daonte's overblown sexual expectations, and Rachel finally meets her husband in the free world.

11 p.m. on HBO Betty

Kirt (Nina Moran) recruits Shelby (Isabel Palma) to help with a mission in the new episode "Sweet Tooth." Meanwhile, Indigo (Ajani Russell) is ready to consider doing just about anything to bring in some money, while Honeybear and Camille (Moonbear, Rachelle Vinberg) are stricken with second thoughts about something.
