HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you possess an adventurous spirit, and yet you are not one of those who will sacrifice more realistic and rewarding opportunities for the chance to do something once that may prove to be nothing more than a "rush." From your earliest years you have wanted to be a part of something important, and the choices you make in life, whether personal or professional, are most often made to bring you in contact with those who can help you reach your goal -- for you understand that it's not necessarily you who know that matters, but rather who knows you, and though the difference is subtle, it is quite significant.

WEDNESDAY, JULY 14
CANCER (June 21-July 22) -- You may have to put out a fire today that should never have started in the first place. This is all the result of some misinformation.
LEO (July 23-Aug. 22) -- You'll be in a position to judge those around you for their creativity and competency. Most will meet your high standards -- some, alas, will not.

VIRGO (Aug. 23-Sept. 22) -- You mustn't think you're entitled to a prize simply because you've been playing the game for so long. You know such rewards are merit-based!

LIBRA (Sept. 23-Oct. 22) -- The work you do today will pave the way for an endeavor that is going to be fully immersive -- and it's likely to start soon, and quickly!

SCORPIO (Oct. 23-Nov. 21) -- It will do you little good today to compare yourself and your performance to others. It's time to focus on satisfying yourself for a change.

SAGITTARIUS (Nov. 22-Dec. 21) -- You're in for some trouble if you insist on following the same course. You'll get where you're going, but the journey may be tough.

CAPRICORN (Dec. 22-Jan. 19) -- You know what's what, and you know why -- but this is information that you may not wish to share with anyone else for the time being.

AQUARIUS (Jan. 20-Feb. 18) -- You'll be busy with several different projects throughout the day, and you must take care that no one is allowed to knock you off course.

PISCES (Feb. 19-March 21) -- You can do more today than you did yesterday or the day before that. Has anything changed? You should examine your methods carefully.

ARIES (March 21-April 19) -- You'll be moving from one thing to the next very quickly today, and you may have to break a promise to someone in order to get it all done.

TAURUS (April 20-May 20) -- It's a good day to do the things you left undone yesterday and the day before. You can catch up with others only if you are super efficient!

GEMINI (May 21-June 20) -- You are eager for some peace and quiet -- but it's not going to come to you today until you deal with an issue that has kept you quite busy.
