HOROSCOPES by Stella Wilder

WEDNESDAY, JULY 14, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most solid, reliable and upstanding individuals born under your sign, and no matter where you go or what you do, others can count on you to be there for them, to provide what is needed and to lead them out of a storm and into sunshine and calm seas. You don't always make the most popular decisions, but you are known for making decisions that you think are right -- and you will never do or say anything that goes against what you think or feel.

THURSDAY, JULY 15
CANCER (June 21-July 22) -- Now is the time for you to make your intentions known. Keep nothing from those who are in a position to help you. A new opportunity knocks.
LEO (July 23-Aug. 22) -- You know that there are those who would replace you if they could, but that's not about to happen as long as you keep up the good, steady work.

VIRGO (Aug. 23-Sept. 22) -- Others are sure to gravitate toward you today, but not for the reason you may think. A surprise waits for you just as the sun goes down.
LIBRA (Sept. 23-Oct. 22) -- The more specific you can be with those who would question your methods or motives, the better. Start by breaking down your reasons why.
SCORPIO (Oct. 23-Nov. 21) -- You may become frustrated today when practice does not, as promised by the old adage, make perfect. You know the reason and you must face it!
SAGITTARIUS (Nov. 22-Dec. 21) -- It's a good time to dig into issues that you've left unexplored recently. Give another the chance to shine alongside you today.
CAPRICORN (Dec. 22-Jan. 19) -- You're not likely to escape notice today, no matter what you do, so why not actively solicit attention and use it to your advantage?
AQUARIUS (Jan. 20-Feb. 18) -- You can't expect an old idea to gain traction today when those around you are talking about things that are new and far more exciting.
PISCES (Feb. 19-March 20) -- There's plenty for you to do around the house today, and a loved one will thank you for taking the initiative. Make time for a group activity.
ARIES (March 21-April 19) -- Someone you know well may not understand a certain basic concept as well as you had hoped -- and today is a very good day to explain it fully.
TAURUS (April 20-May 20) -- You have more at stake today than you may have thought, but a friend is ready to stand by your side and lend a hand when things get dicey.
GEMINI (May 21-June 20) -- You know whom to call today when things become a little crazier than you can handle all on your own. The little things make a big difference.
