HOROSCOPES by Stella Wilder

SATURDAY, JULY 17, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a born strategist, and
you know how to make plans that are detailed
and complete, and that can be fully realized
when put into motion. You're not one to
think of things and let those things die on the
vine or fizzle out after the most cursory
exploration; you want to conceive of things
that can last a lifetime and longer -- and,
indeed, you're likely to do much that will
outlive you and make you and your life
memorable to all who come after you.
SUNDAY, JULY 18
CANCER (June 21-July 22) -- You'll want
to take some time to assess your recent
activities and determine what, if any, changes
you should make to your plans.
LEO (July 23-Aug. 22) -- There may be no
way around an obstacle that appears in front
of you today, so you must be ready to do
something that doesn't come naturally to you.

VIRGO (Aug. 23-Sept. 22) -- The time
you spend alone today needn't be wasted; you
can conjure up some fine ideas that can quite
possibly be very useful to you very soon.
LIBRA (Sept. 23-Oct. 22) -- News you
receive from someone far from home can
certainly lift your spirits, but take care that
you don't misinterpret certain minor facts.
SCORPIO (Oct. 23-Nov. 21) -- You have
much to offer others today, but you're not
about to give it away. You must insist on fair
compensation -- and timely payment, too!
SAGITTARIUS (Nov. 22-Dec. 21) -- Your
routine keeps you from doing too much at
any one time today -- which is essential when
you want to enjoy some time for yourself.
CAPRICORN (Dec. 22-Jan. 19) -- You
may not know quite how to say what has to be
said today, but you can't miss this opportuni-
ty to say it. Be open, honest and clear.
AQUARIUS (Jan. 20-Feb. 18) -- Your
willingness to discuss some of the more dif-

ficult issues of the day will be greatly appreci-
ated by those in charge. Good for you!
PISCES (Feb. 19-March 20) -- You're
eager to learn what someone else has known
for quite some time. Is this just a whim, or is
it something that you can put to good use?
ARIES (March 21-April 19) -- You may be
able to make a wish come true today, provid-
ed you settle business with a Leo or Virgo
native. All of your desires can be satisfied.
TAURUS (April 20-May 20) -- You are
currently grappling with feelings that have
taken you by surprise. This may be some-
thing you want to talk about with a certain
someone.
GEMINI (May 21-June 20) -- You can
keep things moving in the right direction
today, but forces beyond your immediate
perception may begin to conspire against
you.
