HOROSCOPES by Stella Wilder

SUNDAY, JULY 25, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps one of the most competitive individuals born under your sign, and while other Leo natives may give their every thought to the journey they are on, you are far more interested in the destination -- and you credit yourself with accomplishment not because you have tried and learned in the process, but only when you have reached your goals. Your moral structure is actually quite sound, so you will rarely intentionally do others wrong.

MONDAY, JULY 26
LEO (July 23-Aug. 22) -- You will have to pay close attention to those who are following your instructions today, as the task you've assigned them isn't easy!
VIRGO (Aug. 23-Sept. 22) -- You're waiting for information necessary to put a new plan into motion today; when it comes, you must not hesitate for a moment!

LIBRA (Sept. 23-Oct. 22) -- You want to enjoy a little more freedom than you've been afforded of late, but does this mean you must break with those currently in charge?
SCORPIO (Oct. 23-Nov. 21) -- You're sure to get a reaction from those who observe you doing what you do best -- but today that reaction may take you by surprise.
SAGITTARIUS (Nov. 22-Dec. 21) -- An emotional burden is lifted today -- but you'll still find yourself weighed down by something that's hard to shake. You'll figure this out!
CAPRICORN (Dec. 22-Jan. 19) -- You may not feel quite comfortable today when things really get going, but a friend offers you a lifeline that gives you confidence.
AQUARIUS (Jan. 20-Feb. 18) -- You may have to put one thing on hold today in order to put the finishing touches on something else -- but this will almost feel "routine."
PISCES (Feb. 19-March 20) -- You'll have

surely face dangers -- but only temporarily. You will also learn a great deal.
SCORPIO (Oct. 23-Nov. 21) -- Putting your best foot forward has never been easier -- but you may not get the reaction you expected. This day takes an unusual turn.
SAGITTARIUS (Nov. 22-Dec. 21) -- An early start virtually guarantees that you'll finish things on schedule -- and under budget too, perhaps. Maintain a moderate pace.
CAPRICORN (Dec. 22-Jan. 19) -- You must nourish your mind today as well as your body, as you don't want to face a tricky situation without being in peak mental condition.
AQUARIUS (Jan. 20-Feb. 18) -- The rules governing someone else aren't likely to make any difference to you whether or not you follow them. You enjoy greater freedom.
PISCES (Feb. 19-March 20) -- You'll want to think about things a little longer before making a firm decision one way or the other. Avoid one-way roads today if possible.

to choose between inactivity and being unusually busy today -- there will be no middle ground. You know which is best for you!
ARIES (March 21-April 19) -- You'll have the chance to speak your mind today, and once you do, you'll be on the road to something that can give you great satisfaction.
TAURUS (April 20-May 20) -- Despite the advice you've recently given, someone you know may choose a route that has you worried. Pay attention -- but don't intrude!
GEMINI (May 21-June 20) -- You're likely to discover something today that can prove a game changer if it is applied to your daily life correctly. It's a no-brainer!
CANCER (June 21-July 22) -- You may not feel quite as confident as your closest rival today, but that doesn't mean you can't keep up -- or move ahead by day's end.
