## tonight's best

# **Chloe Grace Moretz**

#### 5 p.m. on NBC 2020 Tokyo Olympics

Expect to see an American on the podium tonight in swimming, where Simone Manuel figures to vie for gold in the women's 50m freestyle. In track and field, the women's 100m dash was Sha'Carri Richardson's gold to lose before her suspension for a banned substance, leaving Shelly-Ann Fraser-Pryce of Jamaica as the favorite. Also, the women's beach volleyball tournament continues.

#### 6 p.m. on TRAV Destination Fear

Dakota Laden throws a terrifying curveball to his team when he tries to amp up the fear factor during the group's paranormal investigation of "Missouri State Penitentiary," in a new episode set mostly inside what once was considered the bloodiest prison in America. There are some spine-chilling episodes awaiting all of these visitors, but Chelsea has the roughest time of it, struggling to hold it together when the ghost of a child kidnapper aggressively tries to communicate with her.

#### 8 p.m. on OXY Cold Justice

Detective Steve Spingola joins veteran prosecutor Kelly Siegler in Rio Arriba County, N.M., to investigate a bizarre case involving a man who evidently died of natural causes, based on outward appearances. As this new episode "Unnatural Causes" reveals, however, when postmortem scans revealed a previously undetected gunshot wound, the man's death sparked a murder investigation. Now Siegler and Spingola hope they've picked up the trail again in time to find the killer.

#### 8 p.m. on HBO Movie: Tom & Jerry

In this 2021 movie comedy, which combines live action with CGI animation, mischievous rodent Jerry decides to take refuge in a fancy Manhattan hotel, much to the dismay of wedding planner Kayla Forester (Chloe Grace Moretz), who's in charge of some big-ticket nuptials on the premises. Deciding desperate measures are called for, she hires Jerry's rival Tom to exterminate the little mouse before he threatens the lavish ceremonies. Michael Pena, Colin Jost, Pallavi Sharda, Rob Delaney and Ken Jeong also star.
