HOROSCOPES by Stella Wilder

WEDNESDAY, JULY 28, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most stylish individuals born under your sign -- or any sign, for that matter -- and yet that can be a misleading trait, all things considered, for you are also wickedly smart, quick to size up other people and always ready with the "right" thing to say to defuse a tense and potentially dangerous situation.

THURSDAY, JULY 29
LEO (July 23-Aug. 22) -- You're likely to repeat an enjoyable experience -- but this time it will be with someone who knows how to help you take it all to the next level!
VIRGO (Aug. 23-Sept. 22) -- You cannot be turned on and off like a light -- and neither can someone you know only so well. Give credit where credit is due today.
LIBRA (Sept. 23-Oct. 22) -- If it's all the same today, then you have nothing to worry about, but chances are there will be slight differences that demand a new approach.

SCORPIO (Oct. 23-Nov. 21) -- How you get from here to there is nowhere near as important today as getting there in as little time as possible. What are your options?
SAGITTARIUS (Nov. 22-Dec. 21) -- Progress can be measured in many ways, but today you'll only recognize that which is made by doing what you do best -- more than once.
CAPRICORN (Dec. 22-Jan. 19) -- Now is the time for you to do for another what he or she did for you not long ago. You can do it better, however! This will be remembered.
AQUARIUS (Jan. 20-Feb. 18) -- You may be feeling hemmed in today, but that's just your perception playing with you. You have just enough room to maneuver as you will.
PISCES (Feb. 19-March 20) -- A friend knows just what buttons to push to get you more invested than you currently are in a scheme that has real potential. Why not join

ARIES (March 21-April 19) -- Today's a good day to learn all you can by reading. Information that comes to you through the written word will settle in for the long haul.
TAURUS (April 20-May 20) -- The "how" and the "why" will be more important today than the "what" -- and your first few decisions today will be remembered for their good sense.
GEMINI (May 21-June 20) -- It's going to take longer than expected today to do what has to be done -- unless you're able to convince a good friend to lend you a hand.
CANCER (June 21-July 22) -- If you can do it now, do it now, and don't wait until tomorrow. What you have must be cared for right now, or you risk losing something of value.
