HOROSCOPES

by Stella Wilder

TUESDAY, JULY 27, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you possess a great many skills, but you may not choose to explore all of them or develop even most of them because one in particular is likely to be favored by you over all others at an early age -- and that's the one that is going to make your fortune if you do all you can to develop it fully and position yourself advantageously in the professional arena.

WEDNESDAY, JULY 28
LEO (July 23-Aug. 22) -- You may not finish a job to your own satisfaction today, but getting it done is the main thing. Others are pleased with the results, surely.
VIRGO (Aug. 23-Sept. 22) -- You may not be showered with affection today, but you'll have the feeling that someone truly does care -- in a way that no one else does.
LIBRA (Sept. 23-Oct. 22) -- Take the time to do something correctly; you'll have time later to enjoy yourself. Rush through it, and you'll surely make mistakes.
SCORPIO (Oct. 23-Nov. 21) -- You mustn't be so eager to complete a task today that you do things in the wrong order or carelessly. Take the time it requires, and don't rush!
SAGITTARIUS (Nov. 22-Dec. 21) -- You have certain errands that cannot be skipped today, for you can only get what you need at a certain time -- and this is that time.
CAPRICORN (Dec. 22-Jan. 19) -- Your efforts, combined with those of an ally, can work wonders today as you strive to do that which others have talked about only recently.
AQUARIUS (Jan. 20-Feb. 18) -- What someone is eager to do may not be to your taste today, but why not go along anyway? Such an experience can be quite beneficial.
PISCES (Feb. 19-March 20) -- You'll want to take stock of all the feelings that have been bubbling up as of late -- and determine as best you can why this has been happening.
ARIES (March 21-April 19) -- Hoping for cooperation from those who are diametrically opposed to you at this time is futile. You needn't fear going it alone right now.
TAURUS (April 20-May 20) -- What pleases you today is likely to be something of an annoyance to a friend or loved one -- but not for long. Your tastes will converge soon.
GEMINI (May 21-June 20) -- You'll want to pass on a certain message as soon as you get it today, so you must be ready. You'll rest easy when it's out of your hands.
CANCER (June 21-July 22) -- Hard work and good fun go hand in hand today. An adventure beckons, and you're well enough equipped to follow where it leads, at least for now.
