HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 1, 2021 YOUR BIRTHDAY by Stella Wilder

Born today, you know how to give your all to any endeavor you undertake, and you're never one to hold back when given the chance to express yourself through your work. Indeed, while you may be something of a mystery even to those who know you well personally, you are much more of an open book professionally, and everyone who works with you will develop a pretty accurate sense of who you really are.

MONDAY, AUGUST 2
LEO (July 23-Aug. 22) -- The ability to look at things from an unusual angle will serve you quite well throughout the day. You mustn't give up all your secrets, however!

VIRGO (Aug. 23-Sept. 22) -- You're eager to see a certain relationship develop further, and you can make a few suggestions that the other party will surely enjoy.

LIBRA (Sept. 23-Oct. 22) -- It may not be

up to you to decide what to do first or last today, but you can surely work very well indeed within someone else's structure.

SCORPIO (Oct. 23-Nov. 21) -- You must be willing to look at yourself and your work in an honest manner if you're going to increase efficiency and productivity.

SAGITTARIUS (Nov. 22-Dec. 21) -- Today you're going to be sitting pretty, but the future may be in doubt. There is much you can do right now to better your odds tomorrow.

CAPRICORN (Dec. 22-Jan. 19) -- You should be able to keep pace with someone who is acting as if it's a race to the finish line -- but it's not important to come in first.

AQUARIUS (Jan. 20-Feb. 18) -- You mustn't assume that problems arising today will set you back; you should have little trouble finding solutions to fit your circumstances.

PISCES (Feb. 19-March 20) -- Someone is

trying to get around you in some way today, but you'll have none of it. You will insist that everyone deal with you directly.

ARIES (March 21-April 19) -- You may have something cooking today that others do not know about -- particularly a certain someone to whom you are eager to get closer.

TAURUS (April 20-May 20) -- You must resist any and all temptation today, and do only those things that serve your purpose. Every distraction must be avoided.

GEMINI (May 21-June 20) -- An issue that has lain dormant for quite some time is likely to rise to the surface today, and you'll have little time to deal with it.

CANCER (June 21-July 22) -- It's time to let someone know just how you feel -- but you must choose your words carefully so your meaning is not misconstrued.

MONDAY, AUGUST 2, 2021 YOUR BIRTHDAY

Born today, you are never one to balk at a problem or challenge, but this certainly doesn't mean you are not sensibly fearful of things that could pose a danger to you. The fact is that you actually enjoy facing your fears, and that's what gives you the impetus to move forward when others would hang back, to charge ahead when others would retreat, to embrace what comes when others would do all they can to avoid it.

TUESDAY, AUGUST 3
LEO (July 23-Aug. 22) -- A confluence of pressures is likely to push you in a new direction today, whether or not you wish it. This can surely be a learning experience.

VIRGO (Aug. 23-Sept. 22) -- You may feel as though you're unable to catch up with a problem that just gets more out of hand. The solution is right in front of you.

LIBRA (Sept. 23-Oct. 22) -- An old pat-

tern of behavior is likely to be resumed today, for reasons you cannot quite understand. This time, it'll be much harder to break.

SCORPIO (Oct. 23-Nov. 21) -- You're trying your best to remain balanced between two strong influences, but today it may be a good idea to surrender yourself to one of them.

SAGITTARIUS (Nov. 22-Dec. 21) -- News comes to you today that has you making a plan that seems contrary to your wishes, but if you don't, a problem will get worse.

CAPRICORN (Dec. 22-Jan. 19) -- What begins in a surprising fashion today is likely to end the same way -- and if you can make it happen, you'll win much praise.

AQUARIUS (Jan. 20-Feb. 18) -- The questions you ask today won't be answered quickly, but you must be patient and outlast anyone's attempt to keep you in the dark.

PISCES (Feb. 19-March 20) -- A problem you've tried so hard to keep to yourself may

have to be shared with the one person who can possibly help you solve it. Speak up now!

ARIES (March 21-April 19) -- That which you most fear is likely to materialize if you're not able to shift your thoughts to something else. Go to your happy place!

TAURUS (April 20-May 20) -- You may simply be spinning your wheels for a time today, trying to look busy -- but soon you won't have to try, as your duties will multiply.

GEMINI (May 21-June 20) -- What you do first, second and third today makes a difference, and it's very important that you get things done in the right order all day long.

CANCER (June 21-July 22) -- Focus on the things that make you feel confident and capable today. If you have the right mindset, you'll be able to solve a tricky problem.
