tonight's best

Avantika Vandanapu

8 p.m. on CW Burden of Truth

Joanna and Billy (Kristin Kreuk, Peter Mooney) both are completely blindsided when Joanna becomes the target of a mysterious criminal investigation in the new episode "From Out the Gloomy Rack." Meanwhile, Luna (Star Slade) races back to Millwood to aid her sister, and Owen (Meegwun Fairbrother) helps Kip (guest star Skye Pelletier), who is wrestling with a personal problem. As Taylor (Anwen O'Driscoll) continues her investigation, she makes a shocking discovery.

8 p.m. on DISN Movie: Spin

This new Disney original TV movie from Indian director Manjari Makijany stars Avantika Vandanapu as Rhea Kumar, a bubbly Indian-American teenager who discovers her previously untapped creative side through the unique world of DJ culture. It isn't long before Rhea discovers she has a passion — and a real gift — for creating mixes that combine the aural textures of her Indian heritage with the contemporary world around her. Meera Syal, Michela Luci, Kerri Medders and Anna Cathcart also star.

9 p.m. on CW Dynasty

Jeff (Sam Adegoke) urges Dominique (Michael Michele) to remain patient in the face of disappointing initial sales figures for her new business, but she has other ideas in the new episode "But I Don't Need Therapy." Kirby's (Maddison Brown) friends grow concerned by her heedless wish to rush back into her modeling career, while Fallon and Sam (Elizabeth Gillies, Rafael de la Fuente) confront a difficult task. Elsewhere, Adam (Sam Underwood) resorts to drastic measures to impress the hospital board.

10 p.m. on FX Movie: Ma

Tate Taylor, who directed Octavia Spencer to an Oscar as best supporting actress in "The Help," re-teams with her for this 2019 psychological thriller about a group of teenagers who come to regret befriending a lonely, middle-aged woman (Spencer) who turns out to have a few screws loose. Diana Silvers, McKaley Miller, Corey Fogelmanis, Juliette Lewis, Luke Evans, Missi Pyle and Allison Janney also are featured.
