HOROSCOPES by Stella Wilder

WEDNESDAY, AUGUST 11, 2021
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are a thoughtful, careful and highly creative individual who knows how to combine the cynic's understanding of reality with the idealist's ability to dream big dreams -- whether or not they are grounded in reality. This combination is almost sure to give you all you need to turn your dreams into reality -- though you're not the kind to do so in an offhand or careless fashion.

THURSDAY, AUGUST 12
 LEO (July 23-Aug. 22) -- What you do today owes much to what others have done in the past -- and your sense of tradition will not let you overlook this important fact.

VIRGO (Aug. 23-Sept. 22) -- You are eagerly anticipating a reunion of sorts, but you must have realistic expectations. Now is not then -- and vice versa.

LIBRA (Sept. 23-Oct. 22) -- You receive some timely assistance from a family member who has been watching you struggle for some time. A little gratitude goes a long way.

SCORPIO (Oct. 23-Nov. 21) -- You are seeking something that others have told you will make everything easier -- but can you believe such reports? Do your own research today.

SAGITTARIUS (Nov. 22-Dec. 21) -- What matters most to you today is that things you do line up and fall into a clear pattern. You'll want to examine how this happens.

CAPRICORN (Dec. 22-Jan. 19) -- There are those who will try your patience today, but you mustn't let on. Assume an easy, casual demeanor, even as you face your frustrations.

AQUARIUS (Jan. 20-Feb. 18) -- You have more than one message to send today, but you must be sure that they are received in the proper order. How can you do this?

PISCES (Feb. 19-March 20) -- You may be feeling invincible today, but this is not something that you want to test in any way, shape or form. Avoid clear dangers!

ARIES (March 21-April 19) -- Others are watching you carefully for signs of uncertainty or hypocrisy. You can pass any such test, provided you do what you know best.

TAURUS (April 20-May 20) -- You are nearing the "point of no return" with regard to a certain key relationship; today's interactions will tell you all you need to know.

GEMINI (May 21-June 20) -- You're not likely to have the time to "soften the blow" today with carefully crafted language. You will have to be efficient and clear.

CANCER (June 21-July 22) -- That which you expect to happen today is likely to make you wait -- courtesy of someone who is engaged in a strange power play with you.
