**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are one of those creative and daring individuals able to take what others have done before -- quite successfully, in some situations -- and do it better than anyone might have imagined was possible. This is because you recognize no barriers either to your imagination or to your ability, while also being always keenly aware of what has gone before. This combination of the old and the new is itself nothing new -- but with you it is something almost revolutionary.

SATURDAY, AUGUST 14  
**LEO (July 23-Aug. 22)** -- You'll have a chance to share opinions and air grievances today, but not before someone else speaks up and sets the tone for the rest of the day.  
**VIRGO (Aug. 23-Sept. 22)** -- Your usual antidote for the blues isn't likely to work all that well today -- if it's even available to you. You must find another "medicine."

**LIBRA (Sept. 23-Oct. 22)** -- You can take only so much at one time today, but if things come to you in portions you will fare much better. You can control this somewhat.  
**SCORPIO (Oct. 23-Nov. 21)** -- You're in a position to help someone today if you choose to do so. You must know that there is no harm in displaying your generosity!  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- That which is problematic needn't have your attention all day long. You can deal with it in little time -- and quite effectively.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You're trying to break a cycle of bad behavior -- but today the temptations you are facing may simply be too great. You can lean on a friend.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You can surely apply your high-powered intelligence to a certain problem today, but that doesn't mean it's going to go away. Keep trying!  
**PISCES (Feb. 19-March 20)** -- A simple favor has a far-reaching impact today, and you are surprised by how much it says about the people involved in a troubling situation.

**ARIES (March 21-April 19)** -- You must avoid unnecessary aggression today, even if it means sacrificing something that you hold dear. You're likely to regain it later on.  
**TAURUS (April 20-May 20)** -- You're going to have to get a certain project done today, even if you don't have all the necessary tools. You'll invent new ways of doing things!  
**GEMINI (May 21-June 20)** -- You may be fatigued and disinterested during an important part of the day -- but you can do all that is necessary when your energy returns.  
**CANCER (June 21-July 22)** -- Progress is defined not by what you get today but by what you give. This isn't a new way of thinking -- but it's likely to yield new results.
