HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 15, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you believe wholeheartedly in the adage "seek and ye shall find" -- and from an early age you will no doubt seek out all that you want and, with a little luck and help from your friends, attain it! You have a keen mind, a quick wit and a perception of the world that allows you to take full advantage of situations as they arise. You are never fooled by a false sense that things should be easier than they are.

MONDAY, AUGUST 16 LEO (July 23-Aug. 22) -- You're likely to want more than what you currently have -- but is it a question of need? You must determine what is really necessary today. VIRGO (Aug. 23-Sept. 22) -- It's a good day for you to clear out some of the clutter that's been getting in your way -- literally and figuratively. Start with yourself!

MONDAY, AUGUST 16, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are something of a mystery -- to casual acquaintances and people who have only heard of you, to those who know you well and to yourself. You seem to have so many contradictory traits that it is very hard to get an accurate view of you, and many people behave around you in ways that are not productive simply because they have misinterpreted what you are about. TUESDAY, AUGUST 17 LEO (July 23-Aug. 22) -- You may have trouble making two and two add up to four today, but that has more to do with someone who has thrown a wrench into the works. VIRGO (Aug. 23-Sept. 22) -- Your ability to make ends meet may be taxed today, as money matters take an unusual turn. An "expert" friend may come up with a plan for you. LIBRA (Sept. 23-Oct. 22) -- Have you

LIBRA (Sept. 23-Oct. 22) -- You can pass the time most productively today, especially when you don't have anything pressing to take care of at work or on the home front. SCORPIO (Oct. 23-Nov. 21) -- Some may not give you the credit you feel you've earned, but that's likely in accordance with the rules. You must adjust your thinking. SAGITTARIUS (Nov. 22-Dec. 21) -- You are awaiting something that cannot come to pass until someone else does one simple job -- and this is not something you should do! CAPRICORN (Dec. 22-Jan. 19) -- A burst of activity is likely to take it out of you, but you can bounce back quickly. The current contest is likely to last some time. AQUARIUS (Jan. 20-Feb. 18) -- Only after you overcome certain obstacles and obliterate certain barriers will you be able to do what you had hoped to do -- but you can do it! PISCES (Feb. 19-March 20) -- You are

been taking the best possible care of yourself lately? Today you may find that the answer isn't quite as obvious as you thought. SCORPIO (Oct. 23-Nov. 21) -- Putting your best foot forward may not be all that easy today, as you're making your way through uneven and unfamiliar territory. SAGITTARIUS (Nov. 22-Dec. 21) -- Quality control is an issue today, but you think you know how to keep everyone from doing less than is expected of them. Be open and direct. CAPRICORN (Dec. 22-Jan. 19) -- You can open lines of communication today that have been closed for far too long. This is the beginning of a phase marked by cooperation. AQUARIUS (Jan. 20-Feb. 18) -- What you do today is likely to be remembered by others who are just now coming to terms with who you really are and all that you can do. PISCES (Feb. 19-March 20) -- If home is where the heart is, then you're likely very near

devoted to a certain central idea that will see you through anything that happens today with flying colors. Others follow suit. ARIES (March 21-April 19) -- You may have to interrupt your work today to assist someone who is trying to do too much at one time. This is something you know about! TAURUS (April 20-May 20) -- You are eager to be reunited with those who helped you get where you are today. You may find that it's very much as if no time has passed. GEMINI (May 21-June 21) -- You're likely to encounter someone who doesn't fall under your spell quite as quickly as others -- but this can be quite attractive to you. CANCER (June 21-July 22) -- You're going to ask questions and supply some answers, and by day's end, you'll come to a conclusion that sets you up for future success.

there -- wherever you may actually be. Things are better than you thought they were. ARIES (March 21-April 19) -- Someone may challenge you in an unexpected way today, but the work you've put in lately will serve you well as you chalk up a surprise win. TAURUS (April 20-May 20) -- You're in the mood for a little more of what really makes you smile -- but arranging such a pleasure may be tricky given a certain situation. GEMINI (May 21-June 20) -- A look back gives you a clear idea about what you can do in the future -- but does that solve your immediate problem? You mustn't ignore it! CANCER (June 21-July 22) -- A question lingers today even after so many problems are solved. This in itself tells you something that you've been waiting to hear.
