5 p.m. on DEST; 8 p.m. on ABC CBS NBC E! SHOW MNT Stand Up to Cancer

Executive produced by Oscar winning actress Reese Witherspoon and her husband, Jim Toth, this year's hour-long fundraising event originates live from Los Angeles and airs simultaneously on more than 60 media platforms across the U.S. and Canada. The coverage includes all four major U.S. networks — ABC, CBS, Fox and NBC — which are donating an hour of commercial-free airtime. Ken Jeong and his wife, physician Tran Ho, a cancer survivor herself, are co-hosts, along with Anthony Anderson and Sofía Vergara, with Common and Brittany Howard among the performers.

6 p.m. on TRAV Destination Fear

Thoroughly peeved at Tanner and Dakota's mean-spirited experiments this season, which seem planned to push all her buttons, Chelsea retaliates with a revenge destination she hopes will settle some scores: the historic Greene County Almshouse, just outside the town of Carrollton, III. This poor farm — in some respects, the American equivalent of the infamous debtors' prison in England — is known to other paranormal researchers for its aura of dark, untapped energy, and it pushes the team into a test of their very

9 p.m. on HALL Movie: A Little Daytime Drama

This new 2021 romance stars Jen Lilley as Maggie, head writer on a soap opera with ratings so low the show faces imminent cancellation. Maggie has a vested interest in turning that scenario around, since the show's creator, Alice (real-life soap veteran Linda Dano), is ready to pass the baton to Maggie and retire. Alice's plan to boost ratings, however, is to bring back Darin (Ryan Paevey), a past fan favorite who bailed on the show - and a relationship with Maggie — years ago.
