Alex Schroeder is fed up with the psychological toll the group's "tour de terror" has taken on him this season, but all bets are off in the new episode "Odd Fellows Home" as Alex hatches a revenge scheme. His proposed destination is a site in Missouri that was home to a secret society whose members entombed skeletons in the walls of its buildings. Once they begin their exploration, though, Alex's glee soon turns to regret, as this eerie place reveals some unwelcome things to the team about their fear thresholds.
