HOROSCOPES by Stella Wilder

TUESDAY, AUGUST 24, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are perhaps best known for your keen intellect and your ability to wrap your head around all manner of difficult and complex notions. You embody a healthy balance of virtues and vices, and you're not the kind to expect others to share your high ideals and weaknesses -- for that's all a part of being human, as far as you are concerned.
WEDNESDAY, AUGUST 25
VIRGO (Aug. 23-Sept. 22) -- The how and the why are clear to you today, but the when will remain a mystery until you decide to collaborate with a close friend.
LIBRA (Sept. 23-Oct. 22) -- A minor mixup becomes a big problem today if you're unwilling to recognize your own complicity. You must clean up your mess today.
SCORPIO (Oct. 23-Nov. 21) -- You may

not be able to do something the way you're used to doing it today, but the adjustments you have to make are actually quite small.
SAGITTARIUS (Nov. 22-Dec. 21) -- You don't want to miss an opportunity that arises quite unexpectedly today. You must be ready to change course if required to do so.
CAPRICORN (Dec. 22-Jan. 19) -- You may walk away from a certain situation today feeling as though you didn't do your best, but others involved couldn't disagree more!
AQUARIUS (Jan. 20-Feb. 18) -- There is more at stake today than you may have originally anticipated, but you can rise to the occasion and manage your affairs with skill.
PISCES (Feb. 19-March 20) -- You're going to have to give someone all the information that you feel pertains to a certain situation today, and that might be uncomfortable.
ARIES (March 21-April 19) -- You're able to do more than anticipated today, but there

will surely come a time when you must take the rest that you will clearly earn!
TAURUS (April 20-May 20) -- You receive information that alters your perception of something you've been studying for some time. Why did this come to you just now?
GEMINI (May 21-June 20) -- Your focus must not drift today; you must remain on task at all times if you're going to reach an important personal goal. You're almost there!
CANCER (June 21-July 22) -- If you're careless enough to make a certain mistake a second time, the results are likely to be far more serious. Keep your head in the game!
LEO (July 23-Aug
