HOROSCOPES by Stella Wilder

WEDNESDAY, AUGUST 25, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you aren't one to take no for an answer, and your unwillingness to compromise in most situations is more than likely to clash with everyone else at some point -- and you wouldn't have it any other way, for you are not about to give in or give up when you feel you are in the right, which is most of the time! The truth is you simply don't understand why anyone wouldn't align themselves with you and adopt your beliefs and your point of view about virtually everything.
THURSDAY, AUGUST 26
VIRGO (Aug. 23-Sept. 22) -- You are likely to stumble onto something today that promises to change your life if you are willing to throw caution to the wind right now!
LIBRA (Sept. 23-Oct. 22) -- You'll receive more than thanks today from someone you've helped many times in the past. This is something you'll surely remember.

SCORPIO (Oct. 23-Nov. 21) -- You're sure to find plenty of bargains today, but remember -- even a low price for something you don't need is too much! Use restraint.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll be able to engage with one of your favorite people in a brand-new way today. It's time to follow your instincts in this regard.
CAPRICORN (Dec. 22-Jan. 19) -- You'll receive just enough help to get you through a situation that presses all the wrong buttons for you. Show your gratitude creatively!
AQUARIUS (Jan. 20-Feb. 18) -- The impossible isn't impossible today as long as you continue to look at things from your own unique perspective. Show them how it's done!
PISCES (Feb. 19-March 20) -- The plan you've made recently may have to undergo some changes today when you realize something you haven't yet taken into account.
ARIES (March 21-April 19) -- You'll want to keep things calm and casual today, especially when someone raises the stakes. A friend doesn't treat you quite as you expect.

TAURUS (April 20-May 20) -- You may have to pull a few strings today to get everything lined up "just so." Use care when asking someone to step out of their comfort zone.
GEMINI (May 21-June 20) -- You'll see things in a new light today, but that's not likely to lead to any personal benefit unless you share your insight with a good friend.
CANCER (June 21-July 22) -- You can make something official today that you did under the table only a little while ago. This marks a change you'll want to celebrate.
LEO (July 23-Aug. 22) -- You'll want to deal in facts today, not rumor or innuendo. What someone brings to you is worth a close look, but they'll have to wait their turn.
