HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 29, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have such a vivid imagination that it's likely you will live far more in your head than you do in the everyday world populated by other people -- and this is a double-edged sword, surely! Follow your bliss and you can turn your dreams and imaginings into remarkable realities that enrich your life and the world around you.
MONDAY, AUGUST 30
VIRGO (Aug. 23-Sept. 22) -- You must make it very clear what you are asking for today -- and even then you may have to ask more than once. Patience is your best friend today!
LIBRA (Sept. 23-Oct. 22) -- You may be trying just a little too hard to keep things under control today. You can afford to let go and see what happens organically.
SCORPIO (Oct. 23-Nov. 21) -- You'll get

what you want today if you ask in just the right way, if your timing is right and if you position yourself in just the right spot.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can't afford any serious delays today, so you must get to work promptly and maintain a constant level of productivity. No slacking!
CAPRICORN (Dec. 22-Jan. 19) -- The difference between a task being easy or hard will depend almost entirely upon your attitude as you approach it. Clear your head!
AQUARIUS (Jan. 20-Feb. 18) -- You'll receive a clear reminder about what you've done and what you've yet to do -- but you're working on a plan of a more personal nature.
PISCES (Feb. 19-March 20) -- You must tend to business in a logical fashion today, as it's important that others are able to track your performance and log achievements.
ARIES (March 21-April 19) -- You have a great many more choices available to you

today than you had originally thought, but that may, temporarily, only cloud a key issue.
TAURUS (April 20-May 20) -- Now is no time for argument, and you can keep others both in line and on track as you work through a rather tricky issue affecting all.
GEMINI (May 21-June 20) -- You may have to insist that others do things your way today, if only because you feel you do not have what it takes to juggle different methods.
CANCER (June 21-July 22) -- You may have to go back on your word to another as you respond to a situation you did not see coming. This doesn't have to be a serious issue!
LEO (July 23-Aug. 22) -- You can score a surprise victory today as you come from behind and cross the finish line with flying colors. You gain a few more supporters.

MONDAY, AUGUST 30, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you harbor many conflicting currents that will seem to drive you in many directions throughout your lifetime -- and yet you may come to discover that ultimately you do have the final say in what you do and, in the truest sense, who you are. You don't have to be at the mercy of things you think you cannot control -- for control them you can, especially if they are within yourself, no matter how deep they may be. You are both traditional and untraditional, conventional and unconventional, even-tempered and unflappable, and mercurial and easily upset -- but certainly you cannot be all of these things at one time!
TUESDAY, AUGUST 31
VIRGO (Aug. 23-Sept. 22) -- It's a good day for throwing in your lot with that of another -- but you must be sure that this is someone who can match you move for move.
LIBRA (Sept. 23-Oct. 22) -- You've been doing your own thing for a while now, and it

may be time right now to get yourself more in line with the way others are doing things.
SCORPIO (Oct. 23-Nov. 21) -- Assumptions will put you in a vulnerable position today, so you must avoid anything that is not fact-based and clearly supported by evidence.
SAGITTARIUS (Nov. 22-Dec. 21) -- It's time to remember the bond you have with an old friend. You don't have to be too regimented or formal, but reaching out is a good idea.
CAPRICORN (Dec. 22-Jan. 19) -- Despite a situation that still has you worried, you can free yourself of much that has been of concern to you the past days and weeks.
AQUARIUS (Jan. 20-Feb. 18) -- What seems to be a simple enough arrangement is complicated today by another's refusal to observe the timeline that you have established.
PISCES (Feb. 19-March 20) -- What you're looking for is near at hand today, but you may have to jump through a few hoops before

someone gives you permission to take possession.
ARIES (March 21-April 19) -- You mustn't point the finger at others today when you know perfectly well that something is your own doing. You must face the music.
TAURUS (April 20-May 20) -- Honesty is the best policy today, but you may have to deal with those who don't understand this simple rule. Don't let yourself be fooled.
GEMINI (May 21-June 20) -- You're not likely to receive any guarantees today, but what you want can still be yours if you're willing to work through some back channels.
CANCER (June 21-July 22) -- One discovery leads to two, three or even four or more today -- just in time for you to use what you find to bolster an important personal project.
LEO (July 23-Aug. 22) -- What you see is not at all what you get today. You must be as flexible as possible as you negotiate with another and reestablish your position.
