**HOROSCOPES** by Stella Wilder

WEDNESDAY, SEPTEMBER 1, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are most comfortable dealing with the kinds of things that everyone deals with, and you prefer to steer clear of the odd, unusual, rare and unknown. This doesn't mean, however, that you embrace routine or the common ways of thinking about everyday life. On the contrary, you look at things quite differently, and you know how to put your own spin on that which would otherwise be simply ordinary and routine.

THURSDAY, SEPTEMBER 2  
VIRGO (Aug. 23-Sept. 22) -- You should be able to be much more creative as soon as you rid yourself of that which has been holding you back, and you know what it is!

LIBRA (Sept. 23-Oct. 22) -- Information is available to you today in small parcels; you're not likely to see the whole picture until you put it together at a later date.

SCORPIO (Oct. 23-Nov. 21) -- You are advised to use more care than usual today when working with numbers, large or small. If money is the issue, consider getting help.

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone you know may make a claim that is simply not credible until you look into it personally. You're good to go when it makes sense.

CAPRICORN (Dec. 22-Jan. 19) -- That which lies ahead of you is likely to be revealed in startling clarity today -- but only for a very brief time. You must pay attention!

AQUARIUS (Jan. 20-Feb. 18) -- You know more than one person who may be in a position to help you, but they won't all respond when you solicit assistance. Choose carefully.

PISCES (Feb. 19-March 20) -- You're eager to get yourself involved in something that comes highly recommended -- but you must consider any related dangers.

ARIES (March 21-April 19) -- Others may not understand why you do what you do today, but they are in virtually unanimous agreement that how you do it is truly impressive.

TAURUS (April 20-May 20) -- You must work harder at communicating openly and honestly -- especially with those who already know you quite well. Avoid all deception!

GEMINI (May 21-June 20) -- Erratic behavior finds its roots in something that you cannot yet explain -- if, indeed, you are even aware of it. Opportunity knocks.

CANCER (June 21-July 22) -- Someone is likely to pass you by next time if you once more refuse a certain offer today. You have good reason to say "yes" this time.

LEO (July 23-Aug. 22) -- You must be willing to accept defeat today as you try something new in order to gain the upper hand. Daring and experimentation count for much.
