HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you are almost certain to attract a great deal of attention throughout your lifetime, simply because what you do and how you behave are so singular and unusual that you're sure to be in someone's sights, somewhere, at any time of the day or night, either directly or indirectly. Fortunately, you thrive on such attention, and you'll almost surely learn to use it to your advantage, whether personally or professionally.
MONDAY, SEPTEMBER 6
VIRGO (Aug. 23-Sept. 22) -- You are very eager to be taken seriously at this time, especially since you are trying out something new that seems to suit you very well.
LIBRA (Sept. 23-Oct. 22) -- You've come to a crossroads of sorts today, and you must take the time to consider your situation carefully and assess all plans in the making.

SCORPIO (Oct. 23-Nov. 21) -- Once you've immersed yourself in a certain situation today it will be quite difficult to get yourself out again. Think twice!
SAGITTARIUS (Nov. 22-Dec. 21) -- You must make your intentions known today before you put your plans in motion. Much depends on getting others on board.
CAPRICORN (Dec. 22-Jan. 19) -- You will want to position yourself perfectly today in order to enjoy the best possible gains. Don't let anyone derail your efforts.
AQUARIUS (Jan. 20-Feb. 18) -- You are never afraid of doing what is necessary to get things done as required -- but today you may balk at something that crosses the line.
PISCES (Feb. 19-March 20) -- You must be open and honest with those doing business with you today, or you're soon likely to find yourself without any customers at all!
ARIES (March 21-April 19) -- You receive

a message today that doesn't seem to apply to you at all -- until you decipher its code to glean its "hidden" meaning.
TAURUS (April 20-May 20) -- Others are looking to you for any indication about how to behave in a situation that is anything but normal. You'll surely be leading the way.
GEMINI (May 21-June 20) -- You'll hit your stride today and likely cross the finish line ahead of the pack -- but take care that you don't let yourself be pulled off course.
CANCER (June 21-July 22) -- You can spend your morning getting routine affairs out of the way -- just in time to address a new and challenging situation you never expected.
LEO (July 23-Aug. 22) -- You'll be dealing with one or two unusual paradoxes throughout the day, and it's most important for you to maintain a clear and honest outlook.

step up and do what you've promised you'll do for quite some time. If you pass up this opportunity, it may never arise again.
TAURUS (April 20-May 20) -- You are paid what you are owed today -- and that may surprise you. You must be sure that your own debts are paid as well -- sooner, not later!
GEMINI (May 21-June 20) -- You must be willing to defend your beliefs today, especially when they are assailed by someone who doesn't share your moral compass.
CANCER (June 21-July 22) -- Now is no time to say "no" if you can find any reason at all to say "yes." Support for those who need it will come back to you in many ways.
LEO (July 23-Aug. 22) -- You must avoid any kind of entanglement today that keeps you from doing what you have promised to do. You may have to say "no" to a good friend.
