**HOROSCOPES** by Stella Wilder

WEDNESDAY, SEPTEMBER 8, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are never afraid to roll up your sleeves and get to work when there is something important to be done, and you are usually the first to do so. You thrive on taking matters into your own hands -- all kinds of matters, in fact, from the personal to the professional, from the trivial to the significant.  
THURSDAY, SEPTEMBER 9  
**VIRGO (Aug. 23-Sept. 22)** -- It's a good day to take on more responsibility if you're of a mind to do so. You know how to make the best use of available time right now.  
**LIBRA (Sept. 23-Oct. 22)** -- You must keep track of all expenditures today. You may be required to provide assurance that you can and will repay all debts.  
**SCORPIO (Oct. 23-Nov. 21)** -- An experiment in self-expression results in something that takes others by storm -- and you may have an unexpected success on your hands.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- You risk much today if you are unwilling to take the time to "translate" someone's coded message. Now is no time for misinterpretation!  
**CAPRICORN (Dec. 22-Jan. 19)** -- Instructions given recently may not be followed today -- but for a very good reason. If you're in charge, you must adjust your approach.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Efficiency is on the rise, but you may be losing touch with the real reason you're following your current course of action.  
**PISCES (Feb. 19-March 20)** -- Are you sure that you have the money you need to cover all debts today? You must be willing to negotiate if your tally runs short at all.  
**ARIES (March 21-April 19)** -- A friend reaches out, and you must make yourself available -- lest you find that such help is unavailable to you when you need it yourself.  
**TAURUS (April 20-May 20)** -- You may come under suspicion today for something you did not do -- and it will take longer than expected for you to clear your name.  
**GEMINI (May 21-June 20)** -- You are planning to make changes that will affect all those around you, so you must be sure to announce your intentions ahead of time.  
**CANCER (June 21-July 22)** -- You may have to face a certain fear head-on today in order to get past an obstacle that is personal in nature -- and you must do this alone.  
**LEO (July 23-Aug. 22)** -- It's important for you to wrap your head around a recent failure in order for you to rise to a current challenge and score a major new success.
