HOROSCOPES by Stella Wilder

FRIDAY, SEPTEMBER 10, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you seem to be a straightforward, uncomplicated, honest, forthright and principled individual -- and so you are, but that's not the sum total of "you." You can also be quite mysterious, especially to those who do not travel in the same circles that you do; to them, you can seem strangely complex and difficult to pin down on any issue of substance -- and so you are!

SATURDAY, SEPTEMBER 11
VIRGO (Aug. 23-Sept. 22) -- You are looking forward to joining others in something you know will be a good time for all. Your mood may hold, but it's not certain.

LIBRA (Sept. 23-Oct. 22) -- You may have to work with many other individuals today in order to figure something out that affects only you directly. Show your gratitude!

SCORPIO (Oct. 23-Nov. 21) -- You will have to use your best judgment to solve a small crisis that arises toward midday. Experience isn't likely to help you much.

SAGITTARIUS (Nov. 22-Dec. 21) -- You should be able to persuade others that what you are doing today is worthy of their full support. One or two may balk, but that's fine.

CAPRICORN (Dec. 22-Jan. 19) -- You may be facing a situation that makes you tired just thinking about it -- but when you're in the midst of it today, you'll perform well.

AQUARIUS (Jan. 20-Feb. 18) -- Others are after a "professional" opinion, but your experience may be more valuable at this time than any "expert" counsel.

PISCES (Feb. 19-March 20) -- You may come up against someone who has decided to be contrary just for the sake of it; if you're patient, you can deal with this quite well.

ARIES (March 21-April 19) -- You may not be aware of the light that has just appeared at the end of a very long tunnel, but a friend or loved one can lead you that way.

TAURUS (April 20-May 20) -- You've reached a crossroads of sorts, and the decisions you make today will surely affect you now and for some time to come. Don't be hasty!

GEMINI (May 21-June 20) -- Others are eager to see you do what you claim to do better than anyone -- and you're eager to put your skills on display. Now's a good time.

CANCER (June 21-July 22) -- You may wish to get very far away from where you currently are, but that's easier said than done. Get the advice of one who's been there.

LEO (July 23-Aug. 22) -- The situation you're currently facing is likely to require more of you than you think you know how to give -- but what you do surprises even you.
