HOROSCOPES

by Stella Wilder

SUNDAY, SEPTEMBER 12, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to use fate to your advantage, as you are clever and strategic and always able to make the best of a situation that seems to arise out of the blue. Because you possess the Virgo native's ability to find the proverbial needle in the haystack, you know how to do whatever is necessary to assess a situation, adjust your own approach to suit the circumstances and come up with a solution that is fact-based and rarely, if ever, the product of conjecture or guesswork!
MONDAY, SEPTEMBER 13
VIRGO (Aug. 23-Sept. 22) -- Now is no time to deceive another, as you're only likely to deceive yourself in the process. What you give another comes back to you soon.
LIBRA (Sept. 23-Oct. 22) -- You may feel as though something is missing today when, in fact, you've got everything under control and all your ducks in a row.

SCORPIO (Oct. 23-Nov. 21) -- You may have to pay more attention to a certain project today than you had planned, but you'll find that's not a hard adjustment to make.
SAGITTARIUS (Nov. 22-Dec. 21) -- It may be difficult to wait until you're given the official "go" to get started today, but it's important that you follow all the rules.
CAPRICORN (Dec. 22-Jan. 19) -- You've been following someone's progress for a long time now, and you're finally coming to understand how it relates to your own.
AQUARIUS (Jan. 20-Feb. 18) -- You may have to make a very quick decision today that will affect you in some unusual ways for the next few days. It'll be quite a ride!
PISCES (Feb. 19-March 20) -- You want more today, but you're not sure how to get it. It may behoove you today to follow someone's lead -- but you mustn't be obvious.
ARIES (March 21-April 19) -- A group effort may not receive the support you had

hoped for today, resulting in a rift between team members. It's time to go it alone, maybe.
TAURUS (April 20-May 20) -- You may say something in the heat of the moment today that you would never say if your emotions were under control. Don't gloss over this!
GEMINI (May 21-June 20) -- You can turn the attention of another in a different direction today and take the pressure off yourself and those working with you.
CANCER (June 21-July 22) -- It's a good day to consider all the things that are working in your favor -- and there are more than you thought! Give another a helping hand.
LEO (July 23-Aug. 22) -- You cannot help but feel the attraction today between yourself and someone who has lately been orbiting at the periphery of your influence.

MONDAY, SEPTEMBER 13, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you can be counted on to do things first, as you are one of the motivated, forward-thinking and proactive individuals born under your sign. Where others see obstacles, you see opportunity, and you will charge forward knowing full well that you will have to tackle many difficulties in your pursuit of excellence and achievement -- especially in those situations in which others are more likely to hang back, turn back or avoid engaging altogether.
TUESDAY, SEPTEMBER 14
VIRGO (Aug. 23-Sept. 22) -- You may have to give a little extra today in order to prove to a critic that you haven't reached your limit. This is easier said than done!
LIBRA (Sept. 23-Oct. 22) -- Some kind of public display is likely to strike you the wrong way today -- but it's not something you should try to talk about just yet.
SCORPIO (Oct. 23-Nov. 21) -- An

announcement is made today, and a promise kept -- but then something happens that sets you on a strange, alternate course temporarily.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll be part of bringing people together under the banner of a common cause today. Your powers of persuasion are at an all-time high.
CAPRICORN (Dec. 22-Jan. 19) -- An apology might not be enough at first, but when you and a friend have talked through this misunderstanding, all will be well once again.
AQUARIUS (Jan. 20-Feb. 18) -- You and a co-worker may explore more than cooperation today, whether or not you want to. You'll have to address the chemistry between you.
PISCES (Feb. 19-March 20) -- Now is no time to make empty threats -- or empty promises. You must dig deep right now to make sure you're being entirely genuine.
ARIES (March 21-April 19) -- You may be able to deflect blame for the time being, but

someone is going to know the truth -- and challenge you to face the whole truth.
TAURUS (April 20-May 20) -- An accident leads you in a new direction today, and once you figure out just exactly what went wrong, you'll be able to overcome a new challenge.
GEMINI (May 21-June 20) -- What goes around comes around, if not right away, then later, surely, and today you will enjoy a clear demonstration of the truth of the adage.
CANCER (June 20-July 22) -- You may be underestimating someone's power right now, and it's likely you will find yourself at a professional disadvantage as a result.
LEO (July 23-Aug. 22) -- You may discover that you have less in common with an old friend now than you once did -- but this is no secret. It's time to explore options.
