HOROSCOPES by Stella Wilder

TUESDAY, SEPTEMBER 14, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are never afraid to speak your mind -- especially when your beliefs or opinions are likely to rock the boat in some way. You are never one to compromise when you feel that to do so would be to cause harm -- and as far as you are concerned, the most harmful thing in all the world is ignorance. For this reason, you are compelled to learn all you can about other people and the world in which they live. WEDNESDAY, SEPTEMBER 15 VIRGO (Aug. 23-Sept. 22) -- You'll be able to explore something new and different, and though you may not want to take it on permanently, today it gives you a certain high. LIBRA (Sept. 23-Oct. 22) -- That which others find exciting and inspirational today isn't likely to do it for you -- and this is something you'll want to examine further. SCORPIO (Oct. 23-Nov. 21) -- Your sense

of humor may get you into hot water today; the lesson you learn is one you can apply to all manner of situations moving forward. SAGITTARIUS (Nov. 22-Dec. 21) -- It's time to let someone in on a secret -- but before you do, you'll want to ensure that you have pertinent, up-to-date information. CAPRICORN (Dec. 22-Jan. 19) -- You're eager to spend some time alone, but today may not afford you the opportunity -- and you mustn't insist on it, either. AQUARIUS (Jan. 20-Feb. 18) -- You'll come to understand that the difference between the old and the new isn't all that expansive today. Indeed, where do you draw the line? PISCES (Feb. 19-March 20) -- You understand another's motives better than most, but that doesn't mean you're in a position to insert yourself into the situation directly. ARIES (March 21-April 19) -- You can make amends with someone from afar, and if

you do, you'll be able to free yourself from something that's been holding you back. TAURUS (April 20-May 20) -- There are rules to be followed today, and though they may not have been established with you in mind, they can serve you well. GEMINI (May 21-June 20) -- You must ensure that you are truly ready today before trying something new. Reading about it in books is certainly not enough to keep you safe! CANCER (June 21-July 22) -- Follow your instincts today, and you'll be on the right path before you know it. Is this the direction you want to go? You know the answer. LEO (July 23-Aug. 22) -- You'll have good reason to tally a number of past "firsts" that you've enjoyed -- but now is the time to look forward, not back, if possible.
