HOROSCOPES by Stella Wilder THURSDAY, SEPTEMBER 16, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are likely to be remembered for a variety of seemingly contrasting accomplishments, some large, some small, but all of a kind to reflect your own nature quite clearly to those who are interested in knowing and understanding the real you. On one hand, you are youthful, energetic, boisterous and fun-loving; you can kick up your heels, make mischief and get yourself in all kinds of trouble to the degree that others call you irresponsible. But on the other hand, you are far wiser than your years, and you are always thinking of ways to further your personal agenda and have an impact in the professional world. FRIDAY, SEPTEMBER 17 VIRGO (Aug. 23-Sept. 22) -- You may feel that things are looking up all around you, but you must follow certain rules that are for your benefit, like it or not. LIBRA (Sept. 23-Oct. 22) -- You're not alone in finding things more complicated today than they should be -- but your unique reaction to that reality is what matters most. SCORPIO (Oct. 23-Nov. 21) -- You and a rival may want to call it quits and acknowledge that no good can come from continuing the contest. It may be time to work together. SAGITTARIUS (Nov. 22-Dec. 21) -- What you know better than anyone else will surely serve you well today -- but you mustn't be unusually boastful or talk down to others. CAPRICORN (Dec. 22-Jan. 19) -- A creative endeavor yields results that you could not possibly imagine -- and what you do next can surely win over some of your critics. AQUARIUS (Jan. 20-Feb. 18) -- You're eager to pick up the pace today, but certain circumstances seem to be conspiring against you. Get things done behind the scenes. PISCES (Feb. 19-March 20) -- Your physical fitness matters today, but not as much as your emotional well-being, from which you derive almost all of your strength. ARIES (March 21-April 19) -- You may be called upon to help another today, and this will require you to step outside of your comfort zone -- possibly after dark. TAURUS (April 20-May 20) -- What you put on display today is going to attract both praise and criticism -- but an appreciation for your style will be nearly unanimous. GEMINI (May 21-June 20) -- You should be able to mix and mingle with all kinds of people today without the least discomfort. Others may feel awkward at times, but not you! CANCER (June 21-July 22) -- That which is private must stay private today -- and you must recognize that it's not something others wish to be exposed to in the first place! LEO (July 23-Aug. 22) -- You have the means and the motive, but you don't yet have the opportunity to do what you most want to do. Today you can solve that problem.
