tonight's best

Robert De Niro

6 p.m. on TRAV These Woods Are Haunted

A young man gets more than he bargained for when he asks a mysterious woman out on a date in Louisiana in a new episode called — spoiler alert! — "I'm Looking at a Werewolf and It Was Trying to Kill Me." In another segment, a couple's California dreams turn into an utter nightmare after they stumble across what appears to be a satanic ritual site in the mountains.

7 p.m. on TRAV The Alaska Triangle

A Sasquatch colony terrorizes the residents of the remote Prince of Wales Island in the panhandle of Alaska in the new episode "Bigfoot Island and Aliens of Kodiak." Another segment examines how decades of UFO sightings on Kodiak Island have led many to believe that aliens are working with the U.S. military in that region.

7:25 p.m. on SHOW Movie: The War With Grandpa

Tim Hill's 2020 adaptation of a novel by Robert Kimmel Smith stars Robert De Niro as Ed Marino, a recent widower whose daughter Sally (Uma Thurman) persuades to move in with her family. When Ed reluctantly agrees to do so, he is given his grandson Peter's (Oakes Fegley) room, which forces Peter to move into the attic. Unhappy with this development, Peter embarks on a prank war he hopes will prompt his grandpa to leave. Rob Riggle, Cheech Marin, Jane Seymour and Christopher Walken also star.

8 p.m. on CW Dynasty

Fallon, Sam and Kirby's (Elizabeth Gillies, Rafael de la Fuente, Maddison Brown) road trip to Los Angeles inspires a series of terrible ideas in "You Vicious, Miserable Liar," the first of two new back-toback episodes. Elsewhere, Culhane (Robert C. Riley) is surprised by the outcome when he tries to fix Blake's (Grant Show) current mess. Then, in "Affairs of State and Affairs of the Heart," Alexis (Elaine Hendrix) confronts Dominique (Michael Michele) about her secret and proposes a deal, while Adam (Sam Underwood) calls in a favor from Sam.
