HOROSCOPES by Stella Wilder

SATURDAY, SEPTEMBER 18, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most dedicated and hardest working individuals born under your sign -- but only when you truly believe in what you are doing. You cannot abide busyness or the kinds of projects that never seem to result in anything worthwhile or memorable; you want to be part of something big, something that will last, something that affects the world around you in a positive way -- and often you have to conceive of such a project yourself.

SUNDAY, SEPTEMBER 19
VIRGO (Aug. 23-Sept. 22) -- You're likely to identify something that has been bothering a friend or loved one for far too long -- and the truth is sure to surprise you.

LIBRA (Sept. 23-Oct. 22) -- Despite all of your plotting and planning of late, someone is bound to know what you're up to. You're more transparent than you think.

SCORPIO (Oct. 23-Nov. 21) -- The best way you can fool the most people today is to keep everything very much out in the open. This sleight of hand impresses everyone.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have cause to do an about-face today and head back where you started from. Your destination will surprise those who know you.

CAPRICORN (Dec. 22-Jan. 19) -- You've finally made the decision that will shape the course of your next several weeks -- or months. This is the start of something real.

AQUARIUS (Jan. 20-Feb. 18) -- You may require explicit instructions today in order to do what must be done -- but experience and your keen instincts are also important.

PISCES (Feb. 19-March 20) -- You're nearing the finish line, but the closer you get today, the more you'll think about what a friend recently told you about what's to come.

ARIES (March 21-April 19) -- Despite your efforts to the contrary, someone isn't likely to warm to you today -- but this tells you something that you've not yet realized.

TAURUS (April 20-May 20) -- Things can be better than expected today, but only if you're willing to insert yourself into a situation that could prove hazardous.

GEMINI (May 21-June 20) -- You may require some guidance today from someone who is more aware than you are of what lies ahead. Are you really willing to learn?

CANCER (June 21-July 22) -- The path you are currently following will lead you where you want to go, but you will have to take great care not to stray when distracted.

LEO (July 23-Aug. 22) -- You may have to come to the assistance of someone who doesn't really appreciate current dangers. A daring step must be taken -- but by whom?
