HOROSCOPES by Stella Wilder

TUESDAY, SEPTEMBER 21, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are always keenly interested in what makes things work — and what makes other people "tick" as well. You are curious, studious, careful and thorough in your pursuit of all kinds of knowledge, and you approach things from a deeply personal perspective that allows you to come to a deeper understanding of key issues than most others ever have. A born sociologist, you are fascinated by the behavior that people display in all manner of situations and circumstances.

WEDNESDAY, SEPTEMBER 22
VIRGO (Aug. 23-Sept. 22) — You may be held back today by concerns that have continued to creep up on you despite your efforts to keep them at bay. Answers come soon.

LIBRA (Sept. 23-Oct. 22) — You'll be liberated by someone's willingness to let bygones be bygones. Now you'll have the time and energy to pursue a new goal.

SCORPIO (Oct. 23-Nov. 21) — You may be able to pick up the pace today, but you must use caution when dealing with those who are new to your team. Give them all the details.

SAGITTARIUS (Nov. 22-Dec. 21) — You should be able to do more than planned today, as the first few tasks you face should be completed in record time. Enthusiasm is high.

CAPRICORN (Dec. 22-Jan. 19) — You can take advantage of some shock value today — but you must be prepared for someone to turn the tables on you in some clever way.

AQUARIUS (Jan. 20-Feb. 18) — You'll have the chance to review your past performance as you plan to repeat yourself soon. It's likely that the new rewards will be comparable.

PISCES (Feb. 19-March 20) — You'll be in a good position today to deal with something that hasn't been going your way. Fix the problem, not the blame!

ARIES (March 21-April 19) — You'll be playing a waiting game with someone whose goals are similar to your own. Things heat up when you're both on the move again.

TAURUS (April 20-May 20) — A familiar situation doesn't give you the usual comfort, and that's because you are not the same person in at least one subtle way.

GEMINI (May 21-June 20) — You can turn a minor success into a major triumph today simply by continuing along your current path and doing what comes most naturally.

CANCER (June 21-July 22) — Keep tabs on environmental influences today, as you'll be affected significantly by even minor changes. You may "take cover" at least once!

LEO (July 23-Aug. 22) — Momentum builds, but you must take care not to lose control and let the potential dangers overtake the potential gains. Be cautious and sensible.
