HOROSCOPES by Stella Wilder

WEDNESDAY, SEPTEMBER 22, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most creative individuals born under your sign, but you are in no way a slave to that particular "artistic temperament" that tends toward unmoored thinking and undisciplined behavior. On the contrary, you are realistic, pragmatic and hardworking, and these traits give you a distinct advantage when it comes to turning your dreams into reality. From an early age you will have a clear sense of who you are and what you were "made" to do - and from that time your life is likely to have been a clear journey from signpost to signpost leading at times circuitously but always inevitably toward your desired destination.

THURSDAY, SEPTEMBER 23
LIBRA (Sept. 23-Oct. 22) - You may attract more attention today than expected, and you must deal with it in a manner that shows off your skills in the best possible light.
SCORPIO (Oct. 23-Nov. 21) - An unexpected change in your schedule may be handed down from above, but you can surely adjust. Your reputation as a team player is secure.

SAGITTARIUS (Nov. 22-Dec. 21) - You may have to deliver some bad news to someone who has been by your side for some time. A test of loyalty may soon follow.
CAPRICORN (Dec. 22-Jan. 19) - You should be able to guide someone over some tricky terrain today with little trouble, and this relationship is enriched as a result.
AQUARIUS (Jan. 20-Feb. 18) - You'll find your way today despite lacking the kinds of guidance tools you are used to using. Afternoon events boost your spirits some.
PISCES (Feb. 19-March 20) - Your ability to mix and mingle with all sorts of people will hold you in good stead today, as the path you follow surprises you more than once.
ARIES (March 21-April 19) - You're in need of a little alone time, and if you don't get it today, someone is going to hear about it! This is an encounter you want to avoid.

TAURUS (April 20-May 20) - You will want to make your opinion known today before someone in charge makes any decisions that affect you directly. Speak right up!
GEMINI (May 21-June 20) - You receive a message from someone who figured prominently in at least one past project. It's time to plan another collaboration perhaps.
CANCER (June 21-July 22) - You receive news that knocks you off balance temporarily, but once a certain reality reveals itself, you'll be in fine form once again.
LEO (July 23-Aug. 22) - You may be confused by someone's preference for your "old" ways - when it was that person who originally suggested you change. Discuss this!
VIRGO (Aug. 23-Sept. 22) - Remember, it's the people who show up who make the decisions - and there's an important decision pending that you want to be a part of.
