HOROSCOPES by Stella Wilder

SUNDAY, SEPTEMBER 26, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are destined to be remembered for some amazing accomplishments -- but it is somewhat in doubt whether those accomplishments will be acknowledged during your lifetime. You can do much to ensure that they are, however, as long as you remain realistic, pragmatic and patient, even as you work tirelessly honing your abilities, expanding your repertoire and making what you hope will be an enduring legacy. Fortunately, it's not fame and fortune that inspire you, but the idea of doing good work that carries, most often, the greatest attraction for you.

MONDAY, SEPTEMBER 27 LIBRA (Sept. 23-Oct. 22) -- Getting started will be the trickiest thing you do today, provided you've visualized the process ahead of you. Finishing is virtually assured. SCORPIO (Oct. 23-Nov. 21) -- Do you have the time and energy you need to get the things done that lie before you? Take some

MONDAY, SEPTEMBER 27, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you always want to be where the action is, and you have a way of sniffing things out and positioning yourself so that you're often at the center of whatever is going on -- and in this way, too, you're able to exert a lasting influence on the happenings of the day. And that's really the key to your character: You want not only to have an impact, but you want it to be one that lasts, to ensure that not only your work but your name is remembered through the ages.

TUESDAY, SEPTEMBER 28 LIBRA (Sept. 23-Oct. 22) -- A casual run-in turns into something much more serious by day's end. You'll understand why someone has been on your case lately. SCORPIO (Oct. 23-Nov. 21) -- You're going to have to make a quick start today, though you may feel somehow stuck in the mud. A dilemma develops that requires attention.

time to prepare -- physically and mentally. SAGITTARIUS (Nov. 22-Dec. 21) -- You'll turn in work of high quality, no doubt -- but some may question whether you are really as dedicated as they think you ought to be. CAPRICORN (Dec. 22-Jan. 19) -- You must -- and can -- avoid those who are indulging in negative feelings toward all that they encounter. You must remain positive today. AQUARIUS (Jan. 20-Feb. 18) -- The rules you follow today will surely protect you from those who might want to take advantage of you. Now is no time to be erratic. PISCES (Feb. 19-March 20) -- It's far more important that you believe in yourself right now than for anyone else to -- but having the support of those around you is helpful! ARIES (March 21-April 19) -- You have only so much time available today to get something done that, in the past, has taken much longer. A strong, confident start is key. TAURUS (April 20-May 20) -- You are

SAGITTARIUS (Nov. 22-Dec. 21) -- You must address a financial problem before any more time goes by. It needn't be solved immediately, but a plan must be made soon. CAPRICORN (Dec. 22-Jan. 19) -- Working closely with a partner should allow you to get more done today than usual -- and that, in turn, should give you an advantage tomorrow. AQUARIUS (Jan. 20-Feb. 18) -- You receive information that gives you a boost today. It's a good time to put your money where your mouth is; your critics can be silenced. PISCES (Feb. 19-March 20) -- If you're dealing in absolutes today, you'll find there is only so much you can do. Make room for yourself by acknowledging loopholes. ARIES (March 21-April 19) -- How you get from here to there is less important today than the timing involved. You'll want to choose speedy but safe transportation. TAURUS (April 20-May 20) -- You may be

coming to the end of a long period of continuous effort -- but what do you have to show for it? Inner contentment is the true reward. GEMINI (May 21-June 20) -- You must keep negative feelings from ruining what should be an enjoyable day. You'll face obstacles, but they're not insurmountable. CANCER (June 21-July 22) -- You'll have the attention of those who most count today, and if others choose to listen to what you have to offer, all the better. LEO (July 23-Aug. 22) -- What you receive after all is said and done is icing on the cake, for what you will most enjoy is the fact that you've done all you can. VIRGO (Aug. 23-Sept. 22) -- Not everyone is going to understand what you are doing today -- or why you are doing it -- but everyone should appreciate your daring approach.

overcomplicating an issue that is really quite simple. It may be time, at long last, to take someone's sound advice. GEMINI (May 21-June 20) -- Your abilities are sure to win you praise today, but you must find a way to show them off to the best possible advantage. Rules serve a purpose. CANCER (June 21-July 22) -- A certain routine task is likely to take much longer than usual today -- or perhaps it just seems that way. You must get your head in the game! LEO (July 23-Aug. 22) -- Your approach to a certain problem must allow you the room to do what is necessary when you discover the best way out. Don't get stuck! VIRGO (Aug. 23-Sept. 22) -- The information you're waiting on today is not likely to get to you in a timely fashion -- but you can do what you must without it.
