tonight's best

Freddie Highmore and Paige Spara

8 p.m. on FOX 9-1-1

A city-wide blackout in the middle of a record-breaking heatwave prompts the 118 to spring into action as mayhem erupts in Los Angeles in the new episode "Desperate Times." Meanwhile, Chimney (Kenneth Choi) confides in Hen (Aisha Hinds) about Maddie's (Jennifer Love Hewitt) condition, while Athena (Angela Bassett) sees her worst nightmare coming true. Peter Krause also stars.

10 p.m. on ABC The Good Doctor

In "New Beginnings," the Season 5 premiere of this hit medical drama, Shaun and Lea's (Freddie Highmore, Paige Spara) engagement party has all their friends and colleagues in a festive mood after they return from Guatemala. Meanwhile, a single mother is stunned to find out that her cancer-stricken son may have contracted his illness from an unexpected source, and Mateo (Osvaldo Benavides) learns whether his previous issues in America will be resolved.

10 p.m. on SHOW Back to Life

In a new episode, Miri (Daisy Haggard) is absolutely convinced that John Boback (Adrian Edmondson) was the guilty party who drove into her. Later, when Oscar (Richard Durden) lets it slip that the Bobacks are organizing a vigil for Lara, Miri takes this as more proof that John is trying to ensure that her neighbors never forget what Miri has done. Geraldine James and Christine Bottomley also star.
