## Jimmy Carter

## 8 p.m. on PBS In Their Own Words

Fresh perspectives from family members, journalists, colleagues, biographers and admirers add layers to a candid look at former president Jimmy Carter in this new episode. After he failed to win a second term against Republican rival Ronald Reagan, Carter's presidency initially was viewed as a failure in some quarters. Since then, however, Carter has become a revered statesman and public figure who has fought for and won dramatic advances in equal rights, environmental conservation and global peace.
