“Disney’s Magic Bake-Off” (Sept. 29)

Dara Reneé (“High School Musical: The Musical: The Series”) and Issac Ryan Brown (“Raven’s Home”) host this competition series that combines the fun of baking and the impressive ingenuity of several young pastry chefs, who divide into three teams of two and race against the clock to create cakes inspired by a Disney TV or movie offering. Disneyland pastry chef Graciela Gomez guides the kid bakers.

“Great Barrier Reef” (Sept. 29)

From Nat Geo Wild comes this three-part documentary miniseries that explores one of the world’s greatest natural wonders and the largest living structure on the planet. Among the topics examined are its wildlife, its diverse habitats and the effects wrought on it by weather systems and climate change.

“The Fault in Our Stars” (Available now)

Teamed previously in “Divergent,” Shailene Woodley and Ansel Elgort are enormously affecting in director Josh Boone’s 2014 screen version of John Green’s bestseller about the relationship between two young members of a cancer support group. They share an offbeat, bemused approach to life that cements their romance, even taking them on an overseas adventure together. Laura Dern, Willem Dafoe and Sam Trammell also star.

“Dog: Impossible: Season 2” (Available now)

A visually impaired dog with fear aggression, a service dog beset by extreme anxiety and a trio of dogs with explosive tempers are among the cases addressed by dog behavior specialist Matt Beisner in the most recent round of this Nat Geo Wild unscripted series.
