HOROSCOPES by Stella Wilder

SATURDAY, SEPTEMBER 25, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have an unusual perspective on life, love and the world at large, and you use this to forge a path for yourself that is unique to you in nearly every way. And talk about presence! You command attention wherever you go, simply because you carry yourself in such a way that you exude authority, command, expertise, ability and confidence -- none of which is conscious, of course. You like to keep busy.
SUNDAY, SEPTEMBER 26
LIBRA (Sept. 23-Oct. 22) -- You may find it more difficult than expected to navigate the territory around your home base -- but the reason soon becomes very clear.
SCORPIO (Oct. 23-Nov. 21) -- Your desires may become somewhat confusing to you today as you try to separate yourself from former notions of who you really are.

SAGITTARIUS (Nov. 22-Dec. 21) -- You're considering the kinds of changes that can be made quickly but that have lasting effects. This opportunity won't last forever!
CAPRICORN (Dec. 22-Jan. 19) -- You've gotten yourself into something of a jam, perhaps, and you're the only one who can get yourself out of it. This was all unnecessary!
AQUARIUS (Jan. 20-Feb. 18) -- The differences between the way things were before and the way they are now is presented in stark contrast today. What does this mean?
PISCES (Feb. 19-March 20) -- Tomorrow's plan takes shape today -- and you certainly don't want to wait until the last minute to ensure that all is properly in place.
ARIES (March 21-April 19) -- You may have to ask the same question many times today before you get a straight answer. Once it comes your way, you can be on the move.
TAURUS (April 20-May 20) -- Facts and figures may get tangled in your head today because you've not yet prioritized. Do that, and all will soon be quite clear.
GEMINI (May 21-June 20) -- The chance to rendezvous with a friend and turn a solo adventure into something you can take in together may prove irresistible today.
CANCER (June 21-July 22) -- You cannot be expected to keep everything in order by yourself today. Do what you can, but don't try to do more than is humanly possible!
LEO (July 23-Aug. 22) -- You face certain variables today that make it virtually impossible to stick to a single, orderly plan. You must be ready to improvise.
VIRGO (Aug. 23-Sept. 22) -- The clear understanding of a certain reality settles over you today and makes it possible for you to navigate a tricky situation with ease.
