HOROSCOPES by Stella Wilder

TUESDAY, SEPTEMBER 28, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to have a rather difficult time of it from an emotional standpoint, for the stars have not endowed you with tremendous stability. You are far more reactive than most others born under your sign, and for this you are likely to pay the price again and again -- at least where personal relationships are concerned -- for your words and actions can surely hurt others the wrong way, and at times offend even your closest allies.

WEDNESDAY, SEPTEMBER 29

LIBRA (Sept. 23-Oct. 22) -- You can afford to be a little more thoughtful today toward someone with whom you've weathered a great deal of tension recently.

SCORPIO (Oct. 23-Nov. 21) -- As immersed as you are in your own daily affairs, you still have the capacity today to pay attention to what a certain someone is doing.

SAGITTARIUS (Nov. 22-Dec. 21) -- Now is not the time to cut loose the people who have been by your side up to this point. Rather, you must hold them even closer today!

CAPRICORN (Dec. 22-Jan. 19) -- You can make improvements to your daily schedule today that make room for someone else's needs -- which only you can satisfy.

AQUARIUS (Jan. 20-Feb. 18) -- You can approach a certain problem from one of many possible angles, but all that you've learned tells you the most direct is best.

PISCES (Feb. 19-March 20) -- It's time to let your feelings dictate what you will do today; your mind will only try to deceive you if you keep those wheels turning.

ARIES (March 21-April 19) -- The sharing of ideas with a close friend results in something quite surprising by day's end. You have good reason to explore this further.

TAURUS (April 20-May 20) -- Your sense of humor saves the day today -- at least once, if not twice or three times. You can prove that laughter is indeed the best medicine.

GEMINI (May 21-June 20) -- You can combine work and play in a manner that is so very satisfying that you'll never want the day to end. You have much to celebrate.

CANCER (June 21-July 22) -- Whether direct or indirect, feedback can prove essential to you today as you struggle to come up with a solution to a lingering personal problem.

LEO (July 23-Aug. 22) -- You can be competitive and still enjoy another's victory today. Indeed, it's because of you that someone else was able to shine at this time.

VIRGO (Aug. 23-Sept. 22) -- You can be far more productive than expected today, and what you do is sure to surprise those who have underestimated you in the past.
