**HOROSCOPES** by Stella Wilder

SUNDAY, OCTOBER 3, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you never seem to be in need of the kind of encouragement and moral support that is required by others to sustain them through times of trouble. Rather, you are more than capable of handling yourself, no matter how tough things might get. Indeed, the more difficult the terrain, the more you feel at home doing what you must to maneuver and navigate successfully. You are a brave and daring individual.  
 MONDAY, OCTOBER 4  
**LIBRA** (Sept. 23-Oct. 22) -- You may have no choice today but to share sensitive information over a route you would not normally choose. Safety is your chief concern.  
**SCORPIO** (Oct. 23-Nov. 21) -- The farther you are from home today, the more you will wish to be back where you started -- but that will not give you what you most need.  
**SAGITTARIUS** (Nov. 22-Dec. 21) --

You've been rehearsing long enough, and it's now time to raise the curtain on the actual performance. You know all you need to know!  
**CAPRICORN** (Dec. 22-Jan. 19) -- You may be facing a challenge today that requires you to seek assistance -- and you know precisely who can best provide the help you need.  
**AQUARIUS** (Jan. 20-Feb. 18) -- Talking about what ails you will satisfy you only so far, but doing something about it can surely bring you relief. It's a good day to start.  
**PISCES** (Feb. 19-March 20) -- If it's advice you need, you know where to go, but you mustn't simply jump at the first counsel you receive. Listen closely to all advisers.  
**ARIES** (March 21-April 19) -- The possibilities before you are on one hand exciting, and on the other daunting -- but not because you haven't been in this position before.  
**TAURUS** (April 20-May 20) -- You

are eager to take full advantage of prevailing circumstances, but today may be too soon. You don't want to tip your hand and risk all!  
**GEMINI** (May 21-June 20) -- You are making great strides at this time, though it may seem to you that your progress is limited. This is a sign of a faulty perspective.  
**CANCER** (June 21-July 22) -- You've made mistakes surely, but today you'll have the opportunity not only to identify the worst of them, but to correct it as well.  
**LEO** (July 23-Aug. 22) -- You've been weighing possibilities for quite a while, and today you'll likely come to the conclusion that your plans can yield results.  
**VIRGO** (Aug. 23-Sept. 22) -- Your progress may slow today after you realize you're facing an obstacle for which you're not fully prepared. Do what you must; there's time.

MONDAY, OCTOBER 4, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you were born to put things to the test, to challenge possibility and authority, to push your own limits and to exceed the expectations of others -- and even from a very early age you've been doing just that time and again, day after day, year after year. Your ability to come up with new ideas is seemingly boundless, and your penchant for novelty is catching. Those who work and play with you adopt the same forward-thinking, progressive and challenging frame of mind that you regularly share with them.  
 TUESDAY, OCTOBER 5  
**LIBRA** (Sept. 23-Oct. 22) -- You may be testing boundaries at this time, but today you're going to want to observe the rules very carefully. Don't rock the boat!  
**SCORPIO** (Oct. 23-Nov. 21) -- Reports come to you that have you reconsidering your plans -- but today is the day to get started if you find that the road ahead is clear.

**SAGITTARIUS** (Nov. 22-Dec. 21) -- Luck and strategy combine today to bring you something you've long been after -- but it appears that not everything is quite as it seems.  
**CAPRICORN** (Dec. 22-Jan. 19) -- You mustn't try to work your way up the line today without giving others a chance at the same consideration you're after. Manners count!  
**AQUARIUS** (Jan. 20-Feb. 18) -- You can show off more than simple skills today. Indeed, how you think about things is just as important as what you do about them.  
**PISCES** (Feb. 19-March 20) -- You receive word that something isn't working as it should, but you are able to address the problem effectively -- if given the chance.  
**ARIES** (March 21-April 19) -- Doing what is best for you today is as simple as using common sense -- but take care that someone isn't trying to sabotage you in some way.  
**TAURUS** (April 20-May 20) -- A

quick start today gives you the advantage at least for a while, but a rival gains on you and has you putting the pedal to the metal!  
**GEMINI** (May 21-June 20) -- You'll want to tend to things in the proper order today in order to maximize your productivity. Don't let anyone tell you it doesn't matter!  
**CANCER** (June 21-July 22) -- Focus on that which is apparent to you as the day begins, as that will set you on a path of discovery that pays off. Do what you know best.  
**LEO** (July 23-Aug. 22) -- You want to be one of the people who knows what's going on -- and why -- so you must be willing to study the situation more carefully than most.  
**VIRGO** (Aug. 23-Sept. 22) -- Others are likely to gravitate toward you today for reasons that are not initially clear -- but it all makes sense by day's end.
