tonight's best

Ava DuVernay

8 p.m. on NBC
Home Sweet Home

Filmmaker Ava DuVernay ("Selma," "Queen Sugar") is the creator behind this new "social experiment" series, which follows two families from completely different worlds of life as they accept the challenge to explore a world outside their own, by effectively switching lives with each other. At the end of each episode, the two featured families reunite to share the fresh perspectives and eye-opening insights this experience has given them.

9 p.m. on CBS
Magnum P.I.

When a young caddie is fired after being accused of stealing a member's golf clubs, Magnum, Higgins and Rick (Jay Hernandez, Perdita Weeks, Zachary Knighton) go undercover at an exclusive country club to uncover the truth in the new episode "Texas Wedge." Meanwhile, Jin's (recurring guest star Bobby Lee) young niece (guest star Kaylee Hottle, "Godzilla vs. Kong") asks him to speak at her school, unaware of her uncle's shady reputation.

10 p.m. on AMC
Eli Roth's History of Horror

The new episode "Psychics" explores how movies about the ability to read minds both play on the egos of our species and exploit our insecurities about psychic abilities that go wrong. Among the films considered are Mike Flanagan's adaptation of Stephen King's "Doctor Sleep," David Cronenberg's "Scanners," Brian De Palma's "The Fury" and Tim Burton's "Beetlejuice," along with others. Interviews include King, Catherine Blanchett, Geena Davis, Bill Hader, Vanessa Hudgens and Quentin Tarantino.

10 p.m. on SYFY
Day of the Dead

A tip of the hat to some of filmmaker George A. Romero's famous horror movies, this new series relates the intense saga of six complete strangers as they try to survive the first 24 hours of an undead invasion. In addition to delivering plenty of satisfying jump-scares, the thriller reminds viewers that all it takes to bring people together is a horde of zombies trying to tear them apart. The cast includes Keenan Tracey ("Bates Motel"), Daniel Doherty (Netflix's "Brand New Cherry Flavor"), Natalie Malaika ("Fractured") and Kristy Dinsmore ("Vikings").
