HOROSCOPES by Stella Wilder

FRIDAY, OCTOBER 15, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you possess one trait that immediately identifies you as a Libra native, and yet among all Libra natives, you embody this more than anyone else -- and that is your almost fanatical desire for parity in all things. No matter what, you want things to be fair for all people, in all situations -- and when you find that they are not you will apply yourself to a study of the situation so that you can eventually identify the cause of the central disparity at work and strive to correct it.

SATURDAY, OCTOBER 16
LIBRA (Sept. 23-Oct. 22) -- You may encounter a wolf in sheep's clothing today, but quick thinking on your part allows you to circumvent any danger -- and save others, too.

SCORPIO (Oct. 23-Nov. 21) -- The minute you think you've done enough, it will become apparent that you've not done enough. The day may be long, but it can be rewarding.

SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't shirk your responsibilities today. Do what you are told and what you have promised and, by all means, don't back out entirely.

CAPRICORN (Dec. 22-Jan. 19) -- You may have to continue working hard today while someone close to you sets it all aside and enjoys some downtime. Don't be jealous!

AQUARIUS (Jan. 20-Feb. 18) -- Now is the time for you, and all those like you, to do what you have promised. It may fall to you to rally others around a common banner.

PISCES (Feb. 19-March 20) -- You get a great deal of benefit from watching the world go by today -- but make no mistake, your turn will come, and you'll have to get busy!

ARIES (March 21-April 19) -- You've been long tempted by someone's occupation, and though you may not want to make a career change, you can experiment freely today.

TAURUS (April 20-May 20) -- You may find yourself with more time on your hands than expected today, and you'll want to have a plan for how to use it. Don't dilly-dally.

GEMINI (May 21-June 20) -- A certain choice is yours to make today that will affect others as well as yourself. Never fear -- those involved know the burden you bear.

CANCER (June 21-July 22) -- You may not have the opportunity to finish what you start today, but you can surely get much of the work done before the dinner bell.

LEO (July 23-Aug. 22) -- You mustn't let another's inexperience keep you from doing what you know how to do today. It may be that you have to do it alone for a time.

VIRGO (Aug. 23-Sept. 22) -- A chorus of "no" is likely to fade today, and you'll be left with nothing but your own solo "yes" to respond to -- and much can happen as a result.
