A diva intrudes on a trio of retired opera singers. 'PG-13'							

tonight s best

Sarah Paulson

8 p.m. on CW  
DC's Legends of Tomorrow

While the Legends ponder how they can get to New York City, Behrad (Shayan Sobhian) discovers Hoover has train tickets to Washington, D.C., which gives Sara and Ava (Caity Lotz, Jes Macallan) an idea in the new episode "The Need for Speed." Their scheme involves Nate (Nick Zano) impersonating Hoover, but even with Gary's (Adam Tsekham) help, that proves harder than expected. Meanwhile, Zari (Tala Ashe) is forced to go through a digital detox with no internet access, so she becomes obsessed with learning who blew up the Waverider.

9 p.m. on HBO  
Four Hours at the Capitol

Filmmaker Dan Reed delivers an immersive chronicle of the Jan. 6 Capitol Insurrection through the eyes of those who were there during the shocking conflict in this new 90-minute documentary. The film features never-before-seen footage and vivid — sometimes hair-raising — firsthand accounts from lawmakers, their staff members, police officers, protestors and rioters who stormed the U.S. Capitol building where electoral votes from the 2020 presidential election were being counted. Interviewees include Representatives Jim McGovern, Eric Swalwell, Ruben Gallego and Rosa DeLauro, along with Senators Chuck Schumer and Dick Durbin, among others.

10 p.m. on FX  
American Horror Story: Double Feature

"Death Valley," the second half of this horror anthology's 10th season, concludes its weird, time-jumping, keep-watching-the-skies sci-fi storyline with a finale called "The Future Perfect," which finds plucky First Lady Mamie Eisenhower (Sarah Paulson) taking matters into her own hands as the fate of future humanity begins to reveal itself. Neal McDonough, Leslie Grossman, Lily Rabe, Angelica Ross and Nico Greetham also star.
