HOROSCOPES by Stella Wilder

SUNDAY, OCTOBER 24, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are a rather quiet, mild-mannered and easygoing individual, but that overall description belies a tremendous current of passion that runs fiercely beneath your seemingly still and unruffled exterior.

CAPRICORN (Dec. 22-Jan. 19) -- You must say what's on your mind today, but you don't have to say it the way you first want to. That would be imprudent, and you know it!

against someone whose will in this regard is even stronger than your own. CANCER (June 21-July 22) -- You don't want to make an awkward situation even worse today by suggesting a way forward that no one wants to take.

MONDAY, OCTOBER 25, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are one of those rare individuals who is both charismatic and enigmatic -- that is, you attract the attention of others wherever you go, and then those who are looking your way are swept up into the mystery of you, for you are anything but easy to explain!

yourself first today, and you'll be satisfied with the result -- but that doesn't mean that you should overlook the needs of others entirely!

the time to fight against something you know will be in place for a while. CANCER (June 21-July 22) -- You'll benefit from a clear view of the immediate future today. It may not be entirely accurate, but you'll come to understand what's possible.
