HOROSCOPES by Stella Wilder

SUNDAY, OCTOBER 31, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are always interested in what is going on beneath the surface, whether the subject of your attention is another person or a noteworthy event. You will do your homework and learn all you can about whatever interests you so that you can study it further from any and all possible angles. You don't like to make your mind up about something too quickly; you want to be open to all possibilities, until one by one those that are improbable or impossible are pushed from your mind and you are left with the truth as you understand it.
MONDAY, NOVEMBER 1
SCORPIO (Oct. 23-Nov. 21) -- You may have stumbled upon a solution to a particularly nasty and stubborn problem -- but do you have what it takes to implement it right now?
SAGITTARIUS (Nov. 22-Dec. 21) -- You are more capable now than you might think,

but you may have to use your skills today in a manner to which you are unaccustomed.
CAPRICORN (Dec. 22-Jan. 19) -- Some things today can only be done the hard way, but you'll find a way to address that situation when you get to it. Others are routine.
AQUARIUS (Jan. 20-Feb. 18) -- You may not completely understand what someone has been asking of you lately, but today you'll realize that more is on the line than usual.
PISCES (Feb. 19-March 20) -- The extraordinary takes precedence today, at home and at the workplace. You'll want to position yourself so you're ready for anything.
ARIES (March 21-April 19) -- Someone makes a proposition and you may think there's more going on than meets the eye -- or the ear. Consider this very carefully!
TAURUS (April 20-May 20) -- Someone makes a promise that you fear cannot possibly be kept, but that's no reason not to do what you yourself promised in the first place.
GEMINI (May 21-June 20) -- You'll have

plenty of time to ready yourself for what you've long been waiting for, but take care a distraction doesn't lead to disappointment.
CANCER (June 21-July 22) -- The more "good" you surround yourself with today, the more you'll be able to avoid the "bad" when it rears its ugly head at you.
LEO (July 23-Aug. 22) -- You must make yourself available today for the things that you want. If you're not open to opportunities, then they won't come knocking.
VIRGO (Aug. 23-Sept. 22) -- You may find yourself in hot water today, and there will be no one to blame but yourself. Swift action will be required, to be sure.
LIBRA (Sept. 23-Oct. 22) -- It's not your turn to be rewarded for a recent accomplishment, so you'll want to turn your attention to one who will be rewarded today.

MONDAY, NOVEMBER 1, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most unusual and, perhaps, misunderstood individuals born under your sign, for you seem to be many different things to many different people, and never just one thing to anyone. This is because of your inner complexity, of course, and because you are never inclined to "simplify" yourself by applying any sort of narrow definition to yourself, your character or your wants and needs. You live your life in a constant state of flux when it comes to fulfilling your personal and professional desires!
TUESDAY, NOVEMBER 2
SCORPIO (Oct. 23-Nov. 21) -- You are far more interested in that which leaves others cold today, and that suits you just fine, because you want to be on your own.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are eagerly awaiting the arrival of news containing information that you will be able

to use immediately. It's on its way!
CAPRICORN (Dec. 22-Jan. 19) -- Things may seem to have gone slightly awry lately, but perhaps that's just your perception. Do what you must to confirm this by day's end.
AQUARIUS (Jan. 20-Feb. 18) -- You can set someone off on a journey today that you would be eager to take if you were in the same situation. Yours is a different calling.
PISCES (Feb. 19-March 20) -- You will want to take some time to ensure that you are saying things exactly as you wish them to be heard. You can't afford a misuse today.
ARIES (March 21-April 19) -- You can always find a shorter, simpler way to express yourself -- and today is a good day to do just that, as another's patience wears thin.
TAURUS (April 20-May 20) -- That which is detrimental to some may actually be advantageous to you -- but only if you are quick to react and do what you know how to do.
GEMINI (May 21-June 20) -- You may

have to go on something of a scavenger hunt today to secure the one or two things you need to get a new project off the ground.
CANCER (June 21-July 22) -- When things seem too easy to you today, you'll want to stop and assess your methods. You can't afford to get less than you deserve.
LEO (July 23-Aug. 22) -- What you've asked for -- several times, perhaps -- may finally come to you by way of a third party whose involvement you did not anticipate.
VIRGO (Aug. 23-Sept. 22) -- Focus on results, and do what you can to parlay a simple success into more of the same. A critic has a change of heart and offers help.
LIBRA (Sept. 23-Oct. 22) -- The results of your actions today are likely to last longer than expected. You must put in some effort to shape the way these impact others.
