tonight s best

Octavio Pisano

8 p.m. on CBS Young Sheldon

In a new episode called "Stuffed Animals and a Sweet Southern Syzygy," Sheldon and Dr. Linkletter (lain Armitage, recurring guest star Wallace Shawn) put their heads together as they struggle to solve a particularly challenging equation. Elsewhere, while Mary (Zoe Perry) is away, a bored George (Lance Barber) dispenses romantic advice to daughter Missy (Raegan Revord), while Georgie (Montana Jordan) comes up with a solution for Meemaw's (Annie Potts) business woes. Matt Hobby, Ed Begley Jr., Craig T. Nelson and Melissa Peterman also are featured.

8 p.m. on NBC The Blacklist

In a new episode called "The SPK," a challenging new case involving stolen artifacts leads to a reunion of Red (James Spader) with a former Blackister. Elsewhere, Aram (Amir Arison) faces a challenging decision. Diego Klattenhoff, Mozhan Marno, Harry Lennix and Hisham Tawfiq also star.

9 p.m. on NBC Law & Order: Special Victims Unit

After a sex worker inexplicably vanishes without a trace, the subsequent investigation by Rollins (Kelli Giddish) and Velasco (Octavio Pisano), her new partner, turns up a vital clue hidden inside a pile of missing-persons reports in a new episode called "They'd Already Disappeared." Mariska Hargitay, Ice-T and Peter Scanavino also star.

9:01 p.m. on CBS Ghosts

Pete, the perpetually chipper but deceased Scout leader, pleads with Sam (Rose McIver) to invite his living wife to the mansion, only to discover she's kept a dark secret from him for many years, in the new episode "Pete's Wife." Meanwhile, the Native American ghost Sasappis (Román Zaragoza) is peeved when he discovers Thorfinn (Devan Chandler Long) sneaked a peek at a TV show they usually binge-watch together, and Trevor (Asher Grodman) learns he may have a daughter. Caroline Aaron guest stars.
