HOROSCOPES by Stella Wilder

SATURDAY, OCTOBER 30, 2021
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are a thoughtful and sensitive yet hardworking and tenacious individual, and though it may take you some time to decide on accepting an assignment or project because you have to come to recognize its merits and understand just what it has to offer you in the long run, once you do sign on, you will stick with it -- come what will -- and you will even risk failure and serious harm to your reputation by doing something that others think shouldn't be done.

SUNDAY, OCTOBER 31
 SCORPIO (Oct. 23-Nov. 21) -- You're learning a great deal at this time, but that doesn't mean that you're ready, right now, to take the lead. Your turn will come soon.
 SAGITTARIUS (Nov. 22-Dec. 21) -- A question of legitimacy will have you examining several ideas very closely today to determine which source can be trusted.

CAPRICORN (Dec. 22-Jan. 19) -- You don't want to distract yourself today, so steer clear of the things that you know will work against you. A project nears completion.
 AQUARIUS (Jan. 20-Feb. 18) -- Share what you have with others today, and you'll come to understand the special power you wield. This isn't something to be taken lightly.
 PISCES (Feb. 19-March 20) -- You know best who is most suited for a job that you cannot do yourself, so you must reach out now and ensure that that person is free to do it.
 ARIES (March 21-April 19) -- What begins as something of a lark becomes far more serious as the day progresses, and you'll come across a previously hidden opportunity.
 TAURUS (April 20-May 20) -- You'll feel the almost irresistible pull that someone exerts today. What is happening, and why? These questions must be answered!
 GEMINI (May 21-June 20) -- You want something extra today for the something extra you're doing for a friend or partner. Does this have to go through official channels?
 CANCER (June 21-July 22) -- Today is a good day for you to consider just how you want someone to think of you -- now and in the future. What you do is likely to catch on.
 LEO (July 23-Aug. 22) -- You're eager to free yourself from routine today, but don't make the mistake of thinking that this should be a permanent chance. It's just for now!
 VIRGO (Aug. 23-Sept. 22) -- You're well-equipped to deal with what comes today, especially if it requires you to work with warring parties to settle their differences.
 LIBRA (Sept. 23-Oct. 22) -- You may have to go through something rather scary today in order to arrive at the one place you most want to be. The solution may surprise you.
