TUESDAY, NOVEMBER 2, 2021  
YOUR BIRTHDAY by Stella Wilder

Born today, you are always willing to go where others are fearful to follow -- but you have a way of getting some brave individuals to follow you faithfully wherever you may go. This is essential for your personal contentment and professional success, for you are not the kind to enjoy doing things on your own, nor are you able to reap the greatest benefits from an endeavor if it is a solo effort.

WEDNESDAY, NOVEMBER 3  
SCORPIO (Oct. 23-Nov. 21) -- You may arrive at an unconventional solution to a problem that has been nagging you for quite some time. Even the experts are impressed.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may feel that you're merely repeating yourself today, but there's something new on the way that may soon change everything.

CAPRICORN (Dec. 22-Jan. 19) -- You will want to ensure that your thinking is in sync with that of a friend or partner, as you'll soon be working together in a new way.

AQUARIUS (Jan. 20-Feb. 18) -- It may be time, today, to give someone a piece of your mind. You needn't fear for the relationship; it will surely be stronger as a result.

PISCES (Feb. 19-March 20) -- Someone who knows what you're going through is able to offer assistance that is truly beneficial. You mustn't think you're all alone!

ARIES (March 21-April 19) -- You aren't going to be able to follow a certain someone indefinitely, so today may be a good day for a parting of ways. Be strong!

TAURUS (April 20-May 20) -- Watch the clock, for you have only so much time to do what has to be done -- and it must be completed on schedule. Avoid common distractions.

GEMINI (May 21-June 20) -- You may not understand why everyone around you is more sensitive than usual, but you can do much to ensure that no one gets their feelings hurt.

CANCER (June 21-July 22) -- You are not ready to buck the system just yet, but you can work within the rules to ensure that you are getting what you feel you deserve.

LEO (July 23-Aug. 22) -- You may choose to do things very differently from the way you're used to doing them -- but others will, in the main, be supportive of your work.

VIRGO (Aug. 23-Sept. 22) -- Set limits for yourself today, and observe them faithfully. You don't want to earn a reputation as one who doesn't care about the rules.

LIBRA (Sept. 23-Oct. 22) -- You'll require some careful guidance today as you try to navigate unfamiliar territory. This can be a serious problem even when close to home.
