The City of North Powder

is accepting competitive quotes for labor to remodel/renovate a portion of the old fire station located at 340 E Street in North Powder. Quotes for labor must be received no later than November 16, 2021 at the North Powder City Hall. Quotes received after this date will not be accepted or opened. Quotes should be mailed to The City of North Powder, PO Box 309, North Powder, OR 97867, or delivered to City Hall at 635 3rd Street, North Powder, Oregon. Key components of this project include: Labor cost only, materials will be supplied by the City of North Powder. Electrical work will be contracted separately. All contractors will be required to have an on-site meeting with a City Representative prior to submitting a bid. A contractor will be selected based on the quote that will best serve the interests of the city, taking into account price and may also include experience, specific experience, availability, project understanding, contractor capacity and responsibility. Please contact City Recorder, Beth Wendt at 541-898-2185 or email cityofnp@eoni.com to schedule an on-site meeting or for additional project information and task list.

HOROSCOPES by Stella Wilder

SUNDAY, NOVEMBER 7, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a master of the art of self-expression, and when you have something to say, you can be counted on to say it in a manner that is both effective and memorable. You value creative talents over almost all other abilities, for you know them to be the key to so many of life's difficulties; one cannot solve a problem without approaching it in a creative manner, and that is what you do again and again, day after day.
MONDAY, NOVEMBER 8
SCORPIO (Oct. 23-Nov. 21) -- Repetition today affords you the chance to assess your performance at every step of the way, without having to prove anything to anyone.
SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to remove yourself from a situation that you recognize is not good for you anymore -- though it once was. Make this change ASAP!

CAPRICORN (Dec. 22-Jan. 19) -- While looking around for clues, be sure you don't miss those that are right in front of you! Sometimes the obvious is the most important.
AQUARIUS (Jan. 20-Feb. 18) -- You've been dealing with those who don't really understand where you're coming from, but that can all change today, giving you a new advantage.
PISCES (Feb. 19-March 20) -- Now is not the time to default to easygoing and soft-spoken; if you feel that your words will effect change, then it's time to speak up!
ARIES (March 21-April 19) -- A domestic change, though small, yields a rather large dividend today -- though it all started some time ago. Your family works as a team.
TAURUS (April 20-May 20) -- You may benefit today from developments stemming from a "hidden" financial situation. It's a good time to share your concerns with an ally.
GEMINI (May 21-June 20) -- You are

more interested in fulfilling your own sense of purpose today than you are in satisfying someone else's demands. Go your own way!
CANCER (June 21-July 22) -- You may be tempted to do things in a way that "sends a message" today, but why bother? Those who already support you are all you need.
LEO (July 23-Aug. 22) -- You'll be called upon to swing into action today, so you must be sure that your preparations have been thorough. A mistake will be costly.
VIRGO (Aug. 23-Sept. 22) -- You're ready to commit to something that has tempted you for quite some time. Are you prepared to explain yourself if things go wrong?
LIBRA (Sept. 23-Oct. 22) -- You are likely to break out of your ennui today and get yourself and others fired up about something that is just around the corner.

MONDAY, NOVEMBER 8, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are never one to say "no" to an offer of fun, and though that general policy is sure to lead you through a life of fun and adventure -- at least as compared to most other mere mortals -- the fact is that it's also likely to bring you face to face with the kinds of dangers that most people do their best to avoid on a daily basis.
TUESDAY, NOVEMBER 9
SCORPIO (Oct. 23-Nov. 21) -- You'll have in mind something special today, but putting it in motion may take a few tricks. Someone you know offers a feasible option.
SAGITTARIUS (Nov. 22-Dec. 21) -- Several choices are presented to you today, but you may be stuck by your own uncertainty in the moment. Think about where you've been.
CAPRICORN (Dec. 22-Jan. 19) -- The

end of one thing needn't be a cause for sorrow at today when it ushers in something else that can provide you with a lot of joy.
AQUARIUS (Jan. 20-Feb. 18) -- Something you've long accepted as true may, today, be shown to be patently false. You may have some explaining to do -- but not for long.
PISCES (Feb. 19-March 20) -- You are not feeling enthusiastic about a task that only you can perform well right now. Maybe it's the timing; try waiting a day or two.
ARIES (March 21-April 19) -- As you scan the horizon today, you'll recognize an opportunity that lies ahead -- but you're not yet ready to take advantage of it, are you?
TAURUS (April 20-May 20) -- A few past errors are nothing to worry about, but if you let new ones pile up today, you're going to get in trouble. Don't be careless!
GEMINI (May 21-June 20) -- What you

want is likely to be absent from your day -- at least during daylight hours. Play your cards right and it will appear after dark.
CANCER (June 21-July 22) -- Your curiosity about a situation that doesn't really concern you may compel you to do something you'll regret. Don't cross that line today!
LEO (July 23-Aug. 22) -- Fun and games are just that, and you mustn't think that you're better than anyone else simply because you play to win -- which you do, and shall.
VIRGO (Aug. 23-Sept. 22) -- The future is looking brighter for you and all those who have hitched their wagons to yours. Remember: Forward motion cures all ills!
LIBRA (Sept. 23-Oct. 22) -- That which comes to you today without you asking for it is likely to disappoint you in the long run. You must pay for anything of value.
