Yellowstone

Season 3 left multiple fates unresolved when it ended in August 2020. Leading character John Dutton (Kevin Costner) was shot, while Kayce (Luke Grimes), the youngest Dutton son, also was targeted by a gunman. Elsewhere, daughter Beth's (Kelly Reilly) office was blown up by a mail bomb, with Beth inside at the time. The status of those lives presumably will be clarified in tonight's two-hour premiere, which sees the obviously coordinated attacks on the Dutton clan continuing, as everyone tries to figure out who is responsible.

Don't text and drive... you won't have to come see us!
