The Zoo

In a new episode called "The Elephant Next Door," the zoo staff works to build a relationship between a pair of Asian elephants, but the two animals have very different personalities that could make them incompatible. Destination Fear

In the new episode "Old Nazareth Hospital," paranormal investigators Dakota and Chelsea Laden, Tanner Wiseman and Alex Schroeder roll into Mineral Wells, Texas, as they continue their "road trip through hell" with an investigation into what is regarded by many as one of the most haunted hospitals in America. Chelsea is none too happy to discover that Old Nazareth Hospital has a haunted doll room on its premises, but no one on the team is prepared for what happens when a pent-up wave of paranormal energy breaks over them.

Movie: A Picture Perfect Holiday
Tatyana Ali stars in this new 2021 yuletide romance as ambitious fashion photographer Gaby Jones, who is thrilled when she lands a coveted magazine job. At the urging of a supportive editor, Gaby signs up for the annual Christmas Photography Retreat in scenic Pine Falls to brush up on her skills, although she's not really into the whole holiday scene. Her skepticism mounts when a booking error forces her to share her rental with a wildlife photographer, but nature soon takes its course.

8 p.m. on HBO
Movie: Boogie

Eddie Huang, whose personal memoirs inspired the ABC sitcom "Fresh Off the Boat," wrote and made his directorial debut with this 2021 drama starring Taylor Takahashi in the title role of Alfred "Boogie" Chin, a young basketball phenom living in Queens, N.Y. He has the potential for a successful, even brilliant, future, if he can bust open the doors closed to him by racism. He also faces challenges in the form of his mother (Pamelyn Chee), a dragon-lady disciplinarian, and his father (Perry Yung), who just got out of jail.
