## HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 10, 2021  
**YOUR BIRTHDAY** by Stella Wilder

Born today, you may at times display the characteristics of one who is rough and tough and ready to rock 'n' roll, but the truth is that you are highly sensitive, prone to heartache and easily disappointed -- so of course it makes all the sense in the world that you would balance this existential truth with a hard demeanor that enables you to cope with the world at large.

**THURSDAY, NOVEMBER 11**  
**SCORPIO (Oct. 23-Nov. 21)** -- Your ability to see through another's smokescreen should allow you and your allies to make progress beyond what was expected today.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You must be willing and able to follow through on something today if you're going to have the maximum possible impact. Focus is key.

**CAPRICORN (Dec. 22-Jan. 19)** -- Despite having committed yourself to something that, admittedly, you didn't know enough about, you may have to go another direction today.

**AQUARIUS (Jan. 20-Feb. 18)** -- You'll have a more difficult time today than a rival, perhaps, but what you learn will give you the advantage tomorrow -- guaranteed!

**PISCES (Feb. 19-March 20)** -- You may feel as though someone close to you is trying to manipulate you into doing what you are loath to do. Make your objections clear!

**ARIES (March 21-April 19)** -- A certain vulnerability puts you in a dangerous position today -- but only for a brief time. If you recognize it, you can avoid a fall.

**TAURUS (April 20-May 20)** -- The symbolism of certain events and developments is not lost on you today -- and you'll understand why others are acting the way they are.

**GEMINI (May 21-June 20)** -- You can be quite successful today, especially at the little things. Never fear -- they will add up and lead to the major victory you're after.

**CANCER (June 21-July 22)** -- You may tend toward reticence and even solitude today, but at some point you're going to have to engage with others to do a certain job.

**LEO (July 23-Aug. 22)** -- You may be ill-prepared today to do what you are required to do -- but this shouldn't be, given you had ample warning. Where does the fault lie?

**VIRGO (Aug. 23-Sept. 22)** -- As you try to figure things out quickly and efficiently today, you may be presented with a problem that stops you in your tracks -- but only briefly.

**LIBRA (Sept. 23-Oct. 22)** -- Now is not the time to fall back on past behaviors that worked only because someone did you a favor. Be strong and confident today.
