YOUR BIRTHDAY by Stella Wilder

Born today, you do things in ways that are all your own, and though certainly you look to the past for important lessons about life and living, you are always best when you are free to concoct your own devices, stratagems, plans, tactics and projects. This may, at times, bring you into conflict with the powers that be, because there are some who simply cannot stand the fact that you will do what you will come what may.

FRIDAY, NOVEMBER 12

SCORPIO (Oct. 23-Nov. 21) -- If you are truly concerned with quality control today, you'll look inward to determine what you can do yourself to raise the bar.

SAGITTARIUS (Nov. 22-Dec. 21) -- A close look at the details you are working with today may surprise you. Some things are not what they seem -- much to your delight!

CAPRICORN (Dec. 22-Jan. 19) --

Locating what you most need may prove taxing today, but once you know where it is it should be quite easy to claim it and put it to good use.

AQUARIUS (Jan. 20-Feb. 18) -- You have planned something that may have to wait until you've dealt with a surprise addition to your schedule. This won't be long.

PISCES (Feb. 19-March 20) -- Take a look around today and assess your immediate environment. If you ask the hard questions, the answers will be particularly useful to you.

ARIES (March 21-April 19) -- You're likely to be the only one caught off guard today when things take a turn for the unusual. Why are you the one left in the dark?

TAURUS (April 20-May 20) -- It's a good time to tell a loved one what's been on your mind for quite some time. This may mark a subtle change that has a dramatic effect.

GEMINI (May 21-June 20) -- You mustn't fret if the weather is uncooperative today; you

have many alternatives that can fill your time while you stay warm and dry!

CANCER (June 21-July 22) -- Casting your mind back to a time when things were "rosier" is likely to show you what you've been missing of late. It's time to get it back.

LEO (July 23-Aug. 22) -- You can expect something of a slowdown today, but progress can still be made. Focus on what's hard to see; you'll find enjoyment in the details.

VIRGO (Aug. 23-Sept. 22) -- You've been managing yourself quite well of late, despite a recent emotional hardship. Today, however, you may feel this more acutely.

LIBRA (Sept. 23-Oct. 22) -- You'll set someone straight today even as you correct your own course. Together, you may devise something that is doubly valuable to you both.
